Kansas Landscape and Nursery Co's Hardy Flowering Shrubs

order by mail

ROSE OF SHARON

(SHRUB ALTHEA)

SEE COLORED PICTURES ON PAGE 55

A very upright growing shrub, fine for accent in shrub masses and ideal for foundation plantings. One of the very few shrubs that blooms freely in the late summer and fall. We grow the following five varieties:

ANEMONAEFLORUS—Bright pink, double.

ARDENS—Deep violet, double.

BANNER—White with a red center, double.

LUCY—Deep red, double.

MARTHA JANE—Soft, glowing pink with rich velvety maroon-red markings near the center. Attractive sulphur-yellow cone of stamens and pistil in the center, combines the whole into the simple beauty of a large single flower. Prices on ANY of the above varieties. Postpaid.

12 to 18 inches	\$.95 each; 3 for \$2.55
18 to 24 inches	1.10 each; 3 for 3.00
2 to 3 ft.	1.25 each; 3 for 3.45

PINK FLOWERING ALMOND—(Pictured on opposite page).

These fine shrubs bloom early, in May, right after Forsythia. The dainty rosette-like flowers are very double, pastel pink and completely cover the entire plant from top to bottom. Makes a rounded, compact bush 3 to 4 feet tall. Excellent for foundation plantings. POSTPAID.

18 to 24 inches \$1.10 each; 3 for \$3.00

BARBERRY, GREEN—Popular low-growing shrub, well branched, dense and compact. The bright green foliage turns a beautiful bronzy-purple-red in the fall. Has red berries that hang on until spring. Very hardy, very easy to grow and rust-resistant. POSTPAID.

12 to 15 inches	\$.80 each; 3 for \$2.25
15 to 18 inches	.90 each; 3 for 2.55
18 to 24 inches	1.00 each; 3 for 2.70

BARBERRY, RED—(Pictured on opposite page). This is one of the most brilliantly colored shrubs in cultivation. Lustrous purple-red foliage, brightening in the summer and turning orange-scarlet in the winter. Otherwise similar in growth habit to Green Barberry. Very hardy and rust-resistant. POSTPAID.

9 to 12 inches	\$.90 each; 3 for \$2.50
12 to 15 inches	1.10 each; 3 for 3.15
15 to 18 inches	1.40 each; 3 for 4.05
18 to 24 inches	1.65 each; 3 for 4.80

BEAUTY BUSH—(pictured on opposite page). This fast-growing shrub is completely covered with lovely pink flowers in May. Gracefully arching branches. Very hardy. Grows 4 to 6 feet high. POSTPAID.

12 to 18 inches	\$1.15 each; 3 for \$3.00
18 to 24 inches	1.55 each; 3 for 4.50
2 to 3 feet	1.85 each; 3 for 5.40

BUTTONBUSH—(See picture to the left). An extremely hardy shrub bearing novel round, feathery, creamy white flowers from July to September. Grows 4 to 5 feet tall and has beautiful deep green foliage so glossy it appears varnished. POSTPAID.

12 to 18 inches	\$1.10 each; 3 for \$3.15
18 to 24 inches	\$1.70 each; 3 for \$4.95
2 to 3 feet	\$2.00 each; 3 for \$5.85

BUTTERFLY BUSH (SUMMER LILAC)

Fragrant, beautiful, hardy and easy to grow. We have found the following varieties best for our area. (Pictured below). Prices: \$1.00 each; any four for \$3.60, postpaid.

Imperial Purple—Rich, deep violet-blue. Extra large blooms.

Pink Dawn—Large trusses of pure, exquisite pink.

Royal Red—Pat. no. 556. Royal purple with rich red overtones from July until frost.

White Bouquet—Pat. no. 536. A new, pure white. Full blooms.

DOGWOOD, REDTWIG—(Pictured on opposite page). Creamy white flowers in the spring. Its red branches make it attractive in winter. A hardy background shrub. Grows 4 to 6 feet tall. POSTPAID.

2 to 3 feet	\$1.65 each; 3 for \$4.50
3 to 4 feet	1.85 each; 3 for 5.25

Hansen's Bush Cherry

(PRUNUS BESSEYI) — Because this shrub is almost always featured for its fruit bearing qualities, its ornamental value is often overlooked. In fact if it bore no fruit at all it would be worthy of a place in the landscape. The foliage has an unusual blue-green tinge. The habit of growth is graceful and it never gets too large. Best of all, in the fall the foliage changes to a brilliant purple and crimson. Large black fruits, good for preserves. About 4 feet. POSTPAID.

12 to 18 inches	\$.50 each; 3 for \$1.35
18 to 24 inches	.60 each; 3 for 1.65

NANKING CHERRY

(Prunus Tomentosa)—One of the most outstanding shrub-form cherries. At the end of April each joint blooms with a flower, pink in the bud, but white when open with red under-petals. The decorative fruit, which can be used for garden or indoor display, is red and edible. Very attractive foliage. Very hardy and grows about 5 feet tall. POSTPAID.

18 to 24 inches	\$1.00 each; 3 for \$2.70
2 to 3 feet	1.40 each; 3 for 3.90
3 to 4 feet	1.75 each; 3 for 4.95

PEKING COTONEASTER (Cotoneaster acutifolia)—A very attractive shrub with glossy, rather small, dark green leaves; slender, graceful branches. Produces black fruit in the fall. Very hardy and adapted to the great plains region. POSTPAID.

12 to 18 inches	\$1.00 each; 3 for \$2.70
18 to 24 inches	1.10 each; 3 for 3.15

WINGED EUONYMUS (E. alatus compacta)—Dwarf, compact and very hardy. Foliage is the most brilliant of any plant in the fall, turning a dazzling scarlet. Branches have four corky wings running up and down. Not prepaid. Container grown specimens..... 4.00 each; 3 for 11.70

GOLDENBELL FORSYTHIA (Forsythia spectabilis)—The first shrub to bloom early in the Spring. Its golden-yellow flowers completely cover its light green branches. Grows 6 to 8 feet tall in sun or partial shade. Grows in any soil. Hardy and easy to grow. POSTPAID.

18 to 24 inches	\$1.40 each; 3 for \$4.05
2 to 3 feet	1.70 each; 3 for 4.95

COLORFUL FLOWERING SHRUBS

LYNWOOD GOLD FORSYTHIA—This deep yellow variety was originated in Ireland. The branches are erect and literally smothered with large, full, individual golden blooms. Presents an outstanding display in any weather. POSTPAID.

12 to 18 inches.....\$1.25 each; 3 for \$3.45
18 to 24 inches.....1.55 each; 3 for 4.50
2 to 3 feet.....1.85 each; 3 for 5.40

SPRING GLORY FORSYTHIA—(Pictured on page 55). The first shrub to bloom in early spring. Far superior to the old fashioned sorts and is much more showy. It blooms young and its brilliant and large, pale yellow flowers completely cover the branches, making a cheerful display in the early spring. Hardy and easy to grow. Does well in ordinary soil. POSTPAID.

12 to 18 inches.....\$1.25 each; 3 for \$3.45
18 to 24 inches.....\$1.40 each; 3 for \$4.05
2 to 3 feet.....1.70 each; 3 for 4.95

FRAGRANT HONEYSUCKLE (Winter Honeysuckle)—This is the first of the Honeysuckles to bloom, the creamy white flowers coming in March before the leaves. The foliage is retained nearly all winter, making this shrub almost evergreen. POSTPAID.

2 to 3 feet.....\$1.50 each; 3 for \$4.20
3 to 4 feet.....1.75 each; 3 for 4.95

MORROW HONEYSUCKLE—A very hardy shrub that grows slightly larger than Pink Tatarian Honeysuckle. Attractive white flowers in the spring are followed by red berries. POSTPAID.

2 to 3 feet.....\$1.50 each; 3 for \$4.20
3 to 4 feet.....1.75 each; 3 for 4.95

PINK TATARIAN HONEYSUCKLE Rose-pink Wheeling type. —(Pictured to the left). A very valuable shrub for the border of lots, for screening undesirable views, or for background. Fragrant rosy-pink blossoms in the spring followed by brilliant red berries in the summer. POSTPAID.

2 to 3 feet \$1.50 each; 3 for \$4.20
3 to 4 feet 1.75 each; 3 for 4.95

HYDRANGEA, NIKKO BLUE—(Pictured on page 2). This is the most beautiful of all the hardy Hydrangeas. In acid soil the flowers are blue; in neutral or alkaline soil they turn pink. To make your soil acid, water every 2 to 3 weeks with aluminum sulphate at the rate of 2 tablespoons to the gallon. (We offer aluminum sulphate on page 49). Winter protection is necessary in northern states. Grows in full or partial shade. POSTPAID.

18 to 24 in.....\$1.85 each;
3 for \$5.40

HYDRANGEA, A. G.—(Pictured to the left). Also known as Hills of Snow. Bears round snowball-like flowers in the summer. Also must be planted where it can be protected from the hot sun. POSTPAID.

18 to 24 in.....\$1.25 each;
3 for \$3.60

HYDRANGEA, P. G.—Blossoms with cone-shaped, snowball-like flowers during the summer. Tolerates full and partial shade; does well on the north side of buildings. POSTPAID.

18 to 24 inches.....\$1.10 each; 3 for \$3.00

ROTHOMAGENSIS LILAC—(Pictured on page 2). The wonderful Chinese or Persian Lilac that often blooms the first year after planting. Extremely hardy and grows more rapidly than other types of lilacs. POSTPAID.

12 to 18 inches.....\$1.25 each; 3 for \$3.45
18 to 24 inches.....1.40 each; 3 for 4.05
2 to 3 feet.....1.70 each; 3 for 4.95
3 to 4 feet.....1.95 each; 3 for 5.25

FRENCH LILACS—(Pictured to the right.) These lilacs have rich deep green leathery foliage with large waxy blossoms. Very fragrant.

Chas X—Large panicles of deep wine red.

Micheal Buchner—A beautiful clear pink.

Mme Chatenay—Free flowering, rich creamy white. Quite double.

Pres. Grevy—Clear, soft blue. Immense panicles. Double.

18-24 inches.....\$1.85 each;
3 for \$5.40

One each of all four for \$7.00. All Postpaid.

OLD FASHIONED PURPLE LILAC—The old-fashioned favorite bearing rich, waxy lilac blooms in the spring. Very fragrant. One of the hardiest shrubs for this region. POSTPAID.

12 to 18 inches.....\$1.10 each; 3 for \$3.15
18 to 24 inches.....1.25 each; 3 for 3.60

MOCK ORANGE, MINNESOTA SNOWFLAKE

(Plant Patent No. 538) An outstanding introduction. A new Mock Orange with every blossom very double, sweet scented and a very profuse bloomer. A graceful, well branched shrub, retaining its foliage better than most of the Mock Oranges. We know you will be pleased with this new shrub.

18 to 24 inches (postpaid).....\$1.65 each; 3 for \$4.50

PRIVET, GOLDEN VICARI—

(Pictured on page 2) Very hardy shrub with golden-yellow leaves, providing a wealth of interesting color contrasts from early spring to late fall. Develops a neat compact shrub that can be trimmed into any shape. Suitable as an individual shrub, for foundation plantings and for hedges.

18 to 24 inches (postpaid).....\$1.75 each; 3 for \$4.95

PRIVET HEDGES—See Hedges, page 6 and 7.

REGELS PRIVET—An excellent foliage shrub with graceful arching branches and attractive foliage. Clusters of white flowers in the spring. Excellent for foundation plantings, shrub borders or backgrounds. POSTPAID.

18 to 24 inches.....\$1.25 each; 3 for \$3.60

FLOWERING QUINCE—(See picture on page 55). Also called Japonica or Burning Bush. Bright, showy, fiery red blossoms. Blooms very early in the spring. Makes an excellent combination with Forsythia. POSTPAID.

12 to 18 inches.....\$.95 each; 3 for \$2.70
18 to 24 inches.....1.25 each; 3 for 3.60

SIBERIAN PEA SHRUB—Very hardy, upright-growing shrub, bearing lovely yellow flowers in May. It is best used as an accent plant or a tall, natural-growing screen or border. Twigs are green, giving beautiful winter character. POSTPAID.

12 to 18 inches.....\$.85 each; 3 for \$2.40
18 to 24 inches.....1.00 each; 3 for 2.70

SILVER BUFFALOBERRY

(Shepherdia argentia). A very hardy shrub that will grow anywhere. Its foliage is silvery-gray, just like the Russian Olive. In fact, it looks just like the Russian Olive, only it does not grow as tall. Bears scarlet, showy fruits. Excellent background shrub. POSTPAID.

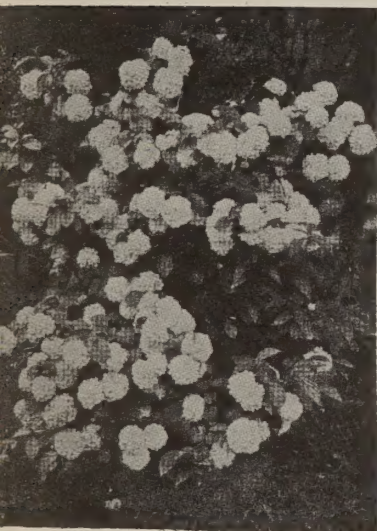

12 to 18 inches.....\$.90 each; 3 for \$2.40
18 to 24 inches.....1.25 each; 3 for 3.45
2 to 3 feet.....1.50 each; 3 for 4.20

adapted to the great plains region

SMOKEBUSH or SMOKETREE—(Pictured on page 56). Also called PURPLE FRINGE.

A magnificent large shrub that is completely covered in the early summer with tiny mist-like flowers that resemble a cloud of purple smoke. The attractive green foliage colors beautifully in the fall. Very hardy. Grows 10 to 12 feet high. POSTPAID.

12 to 18 inches... \$.75 each; 3 for \$2.10
18 to 24 inches... 1.00 each; 3 for 2.85
2 to 3 feet... 1.25 each; 3 for 3.30
3 to 4 feet... 1.50 each; 3 for 4.20

SNOWBALL

(Pictured at the left). The grand old-fashioned favorite of the spring-flowering shrubs and one of the finest large shrubs for lawn or shrub border planting. Blooms with hundreds of pure-white flowers in late spring or early summer. A really magnificent shrub when in full bloom. Does not produce fruits or seeds. Very hardy and easy to grow. Thrives in full sun or partial shade. Grows 8 to 10 feet high. POSTPAID.

18 to 24 in... \$1.10 each;
3 for \$3.00

RED FLOWERING SPIREA (froebeli)—(Pictured on page 55)

For compactness and foliage clear to the ground, this low-growing shrub can hardly be equaled. Blooms with flat clusters of rosy-red flowers in May and June and intermittently throughout the summer. Very hardy. Grows about 2 feet tall. POSTPAID.

12 to 18 inches... \$1.10 each; 3 for \$3.00
18 to 24 inches... 1.25 each; 3 for 3.60

SPIREA VAN HOUTTE

THE ALL-PURPOSE SHRUB

—This is deservedly America's most popular shrub. It will grow in the sun or shade, on any side of the house as well as in the open. Thrives in any soil. Excellent for hedges, too (see page 6 and 7).

	Each	Per 5	Per 10	Per 50
12 to 18 inches	\$.50	\$2.25	\$4.00	\$17.50
18 to 24 inches	.60	2.75	5.00	22.50
2 to 3 feet	.70	3.25	6.00	27.50

FRAGRANT SUMAC—Very hardy and desirable for the great plains region. This bushy shrub produces aromatic foliage that turns magnificent colors in the fall. Bears attractive, bright red fruit in July and August. Grows about 6 feet high. POSTPAID.

12 to 18 inches... \$.90 each; 3 for \$2.40
18 to 24 inches... 1.10 each; 3 for 3.00
2 to 3 feet... 1.25 each; 3 for 3.45

TAMARIX

TAMARIX, AFRICANA—Old-fashioned, extremely hardy, tall-growing shrub with fine, feathery, dark green foliage. Graceful branching habit. Blooms with pink flowers early in the spring. POSTPAID.

2 to 3 feet... \$.95 each; 3 for \$2.70
3 to 4 feet... 1.10 each; 3 for 3.00

TAMARIX HISPIDA—(See the picture on page 55). A newer variety of Tamarix with feathery, bright pink flowers that appear in the summer and bloom until early fall. The dense foliage is feathery and silvery blue. Used as a background or an accent shrub in the shrub border. Very valuable in landscape work and extremely hardy. POSTPAID.

18 to 24 inches... \$.85 each; 3 for \$2.40
2 to 3 feet... .95 each; 3 for 2.70
3 to 4 feet... 1.10 each; 3 for 3.00

VITEK (Hardy Lilac Chaste-tree)—An extremely hardy shrub resembling Butterfly Bush but has much more attractive foliage. Blooms all through the summer with spikes of beautiful lilac-blue flowers with a delightful spicy fragrance. Easy to grow and thrives in hot, dry locations. Grows 4 to 5 feet high. POSTPAID.

Each... \$1.00; 3 for \$2.70

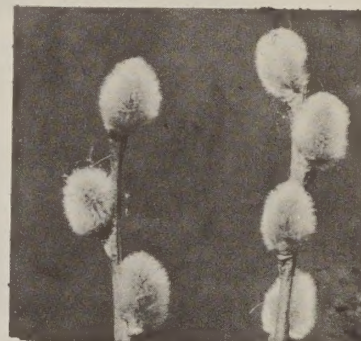

WEIGELA, NEWPORT RED—(Pictured on page 2). An outstanding variety of Weigela. Rich ruby-red, blossoms profusely in June—scattered during summer and usually good again in the fall. Dense, round shrub attaining 5 to 6 feet in height. POSTPAID.

18 to 24 inches... \$1.50 each, 3 for \$4.20
2 to 3 feet... 1.85 each; 3 for 5.40
3 to 4 feet... 2.15 each; 3 for 5.15

PUSSY WILLOW

(See picture at the right). An excellent, tall-growing background shrub from which you can cut winter bouquets of lovely "catkins."

18 to 24 inches, postpaid... \$.80 each, 3 for \$2.25
2 to 3 feet, postpaid... \$1.10 each; 3 for \$3.15
3 to 4 feet, postpaid... \$1.55 each; 3 for \$4.50
4 to 5 feet, not prepaid... \$2.00 each; 3 for \$5.40

WHITE KERRIA—Also called Jetbead. Bears white flowers resembling Mockorange blossoms in the spring and off and on during the summer. Black, bead-like fruit hangs on all winter. Grows about 4 to 5 feet high. A fine shrub for the north side of buildings. POSTPAID.

18 to 24 inches... \$1.65 each; 3 for \$4.50

HARDY FLOWERING SHRUB LANDSCAPE COLLECTION

- 1 Spirea van houtte, 18 to 24 inches
- 1 Forsythia, Spring Glory, 18 to 24 inches
- 1 Nanking Cherry, 18 to 24 inches
- 1 Smokebush, 18 to 24 inches
- 1 Tamarix hispida, 18 to 24 inches

ALL 5 HARDY SHRUBS... \$4.00
Regular \$4.85 value... postpaid

HARDY HEDGES

Above: Natural or unsheared hedge of Spirea van houtte

Above: Trimmed or sheared hedge of Spirea van houtte

Spirea van houtte

The two photographs above show the beauty of Spirea van houtte (sometimes called Bridalwreath) either as a natural blooming hedge or a sheared formal hedge. This is one hedging material that will thrive in any soil or in sun and shade alike. Plant 1 foot apart for a sheared hedge or 2 feet for a natural hedge. FOR LARGER SPECIMEN SHRUBS SEE PAGE 5. POSTPAID.

	Per 10	Per 25	Per 50	Per 100
9 to 12 inches	\$2.50	\$5.50	\$10.00	\$18.00

Lilac Hedges

This old-fashioned favorite, bearing rich, waxy, fragrant, lilac-purple blooms in the spring, makes an excellent natural growing hedge. PRICES ARE POSTPAID.

Sizes	Per 10	Per 50	Per 100
6 to 9 in.	\$2.30	\$ 9.00	\$16.00
9 to 12 in.	2.50	10.00	18.00
12 to 18 in.	3.00	13.75	24.00

Chinese Elm Hedges

The adaptability of CHINESE ELMS for clipped hedges, windbreaks, screens, etc., is unquestioned. For clipped hedges 3 feet or under, plant seedlings 6 inches apart. For taller hedges plant 9 to 12 inches apart. For tall windbreaks plant 3 to 6 feet apart, depending on the height and density desired.

We grade our seedlings, putting the more branched and best adapted to this purpose in the hedge grade. When ordering Chinese Elms for hedges or windbreaks, be sure to say you want the HEDGE GRADE. PRICES ARE POSTPAID.

Hansen's Bush Cherry

This very hardy shrub is nearly the ideal plant for natural hedges. It is unusually hardy and easy to grow under nearly any condition. Its foliage has an unusual bluish-green tinge. Its habit of growth is compact and graceful and it never gets too large, eliminating the necessity of constant trimming. In the fall, the foliage turns to brilliant purples and crimsons. Its flowers in the spring are followed by large black fruits, good for preserves.

Usually this shrub is featured for its fruit bearing qualities, thus its ornamental value for specimen shrubs and hedges is often overlooked. Even if it bore no fruit at all, it would be worthy a place in every home planting. PRICES ARE POSTPAID.

Sizes	Per 10	Per 50	Per 100
6 to 12 in.	\$1.50	\$ 6.00	\$10.00

Honeysuckle Hedges

TATARIAN HONEYSUCKLE—A very valuable hedging plant. Makes one of the best hedges to border a lot, for screening undesirable view or for an attractive background. Can be sheared or let grow naturally. Plant about 1 to 1½ feet apart. Fragrant rosy-pink blossoms in the spring followed by brilliant red berries in the summer. POSTPAID.

	Per 10	Per 50	Per 100
6 to 12 inches	\$2.00	\$ 9.00	\$15.00
12 to 18 inches	2.25	10.00	18.00
18 to 24 inches	2.50	11.00	20.00

Teucrium Hedges

An ideal plant for the low border or for edging flower or rose beds. It has glossy, dark green EVERGREEN foliage. It is the best substitute for boxwood hedges in our area. It responds wonderfully to shearing and may be kept clipped as low as five or six inches into a very dense, compact hedge. If left unclipped, it grows on 8 to 12 inches high and bears spikes of tiny lavender-pink flowers. POSTPAID PRICES: 45c each; 10 for \$4.00; 50 for \$17.50; 100 for \$30.00. (Pictured on page 2)

WINTERBERRY

EUONYMUS PATENS—MAKES A BEAUTIFUL THICK HEDGE THAT KEEPS ITS LEAVES ALL WINTER LONG.—(Sometimes called Winter-green)

Euonymus patens (Winterberry), when planted 6 inches apart and kept sheared or boxed, forms a most beautiful low hedge that keeps its leaves all winter long. It is a vigorous plant that grows into a thick, dark green, attractive hedge. It may be planted farther apart for larger hedges. Dense hedges up to 3 to 5 feet are easily possible. It may be left to grow naturally if desired. The photograph to the left, taken at the Nelson Art Gallery in Kansas City, shows an excellent example of the use of Winterberry or *Euonymus patens* as a low, clipped hedge.

Very few plants will make a hedge in both full sun and shade. Winterberry does equally well in both situations. It is very hardy and will grow in any soil.

NO. 1 POTTED PLANTS, SURE TO GROW—Grown in special peatmoss pots can be planted right with the plant.

Prices	At The Nursery	Prepaid
Per 10	\$5.50	\$6.00

EVERGREEN HEDGES—See Chinese Arborvitae and Red Cedar, pages 14 and 15.

RUSSIAN OLIVE, MULBERRY and OSAGE ORANGE make good hedges. For prices see Tree Seedlings on pages 44 and 45.

Multiflora Roses

Multiflora Rose has small thorns and makes a bushy hedge or living fence about 6 to 8 feet tall and almost as wide if not trimmed. White flowers in June followed by red berries which the birds like. Plant 12 to 18 inches apart. Very hardy in the great plains region. **POSTPAID.** See page 45 for larger quantities.

SIZES	Per 10	Per 50	Per 100
6 to 12 inches	\$.75	\$2.50	\$4.50
12 to 18 inches	1.45	4.50	7.50

2 to 3 ft.	2.50	10.00	15.00

Barberry Hedges

GREEN JAPANESE BARBERRY—Grows about 3 feet tall naturally. By shearing, you can make a lower, more compact hedge. It will grow anywhere, in sun or shade. Leaves turn a brilliant red in the fall and the bright red berries are retained all winter. Very hardy. Plant about 1 foot apart. **POSTPAID.**

Size	Per 10	Per 50	Per 100
9 to 12 inches	\$3.00	\$12.50	\$20.00

Tamarix Hedges

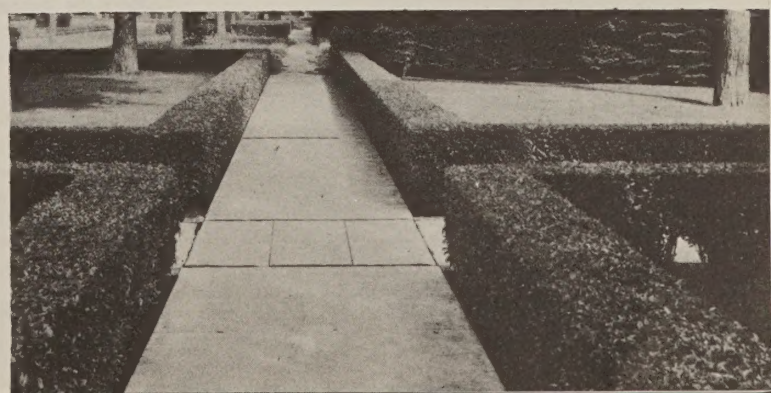

An extremely hardy, tall growing shrub well adapted to making an excellent natural hedge. Foliage is fine and feathery and is a silver-green in color. Blooms with pink flowers early in the summer. Plant about 18 inches apart. Our shrubs are cut back ready to plant and are measured by diameter of stem at the crown. **POSTPAID.**

	Per 10	Per 50	Per 100
3/16 to 5/16 in. diameter . . . (medium)	\$2.00	\$9.00	\$15.00

Privet Hedges

AMUR RIVER PRIVET (North)—Also called Hardy Russian Privet. The hardiest and most popular Privet for low, clipped hedges for the great plains region. If you are in doubt as to what kind of hedge to plant, we recommend Amur River Privet very highly. Upright grower, foliage is glossy-green and will not blight or winter-kill. Generally kept sheared from 2 to 4 feet high. Plant 6 to 12 inches apart and 3 to 4 inches deeper than they were in the nursery. **PRICES ARE POSTPAID.**

	Per 10	Per 50	Per 100

COMPLETE FLOWER GARDENS

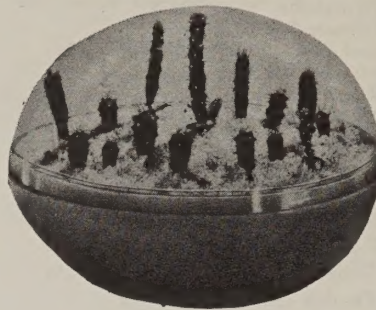

ROLL-ON-GARDEN

Plant
in a
Jiffy

AUTOMATICALLY PLANTS 15 FT. GARDEN OF PREMIUM ANNUALS OVER 1,000 SEEDS, EVENLY NESTLED IN MIRACLE FLORA MAT

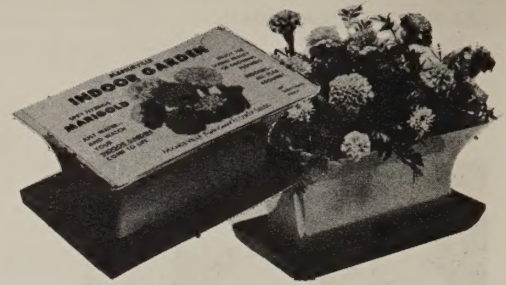

Loosen soil for the bed to a depth of 2 or 3 inches, rake smooth, roll on the FLORA-MAT and keep well watered until plants are established. That's all there is to it! State which kind you want: LOW BORDER or CUTTING GARDEN. PRICE: At the nursery—98c each; Postpaid—\$1.10 each.

Hatch-a-Cactus

PRODUCES AN ABUNDANCE OF STURDY CACTUS PLANTS WITHOUT FUSS OR MUSS! A cleverly designed egg-shaped plastic greenhouse with specially prepared growing soil, an excellent assortment of cactus seed and complete instructions. A wonderful conversation piece for home, office or school. State size wanted:

Size	At the nursery	Postpaid
Small (3 1/2 in. long)	\$.59 each	\$.75 each
Large (4 1/2 in. long)	\$.89 each	\$1.10 each

INDOOR GARDENS

NOW YOU CAN ENJOY THE LIVING BEAUTY OF GROWING FLOWERS THE YEAR-ROUND. Attractive plastic planter with a Hydro-Wick provides self-watering convenience. Specially prepared soil containing nutrients assures healthy plants. Seeds are properly spaced in a Flora-Mat. Complete instructions. Your choice of 3 different kinds: MINIATURE MARIGOLDS; RAINBOW COLEUS; FERN-LIKE SENSITIVE PLANT. State kind wanted. At the nursery—99c each; postpaid—\$1.35 each.

GARDEN HERB SEED

PRICES: 15c per packet. Orders over \$1.00 are postpaid: Under \$1.00, please add 3c per packet for postage and packing.

LOW SPREADING EVERGREENS

Our evergreens are not light, bare-rooted plants, but are well-filled balled and burlapped specimens. When shipped, they are crated or basketed for added protection.

PFITZERS JUNIPER

(Pictured above). The most popular and versatile spreading evergreen used today. Beautiful bright green, plume-like foliage. Easy to grow and very hardy. Balled and burlapped specimens, not prepaid.

12 to 18 in.....	\$4.75 Each; 4 for	\$18.00
18 to 24 in.....	5.75 Each; 4 for	22.00
24 to 30 in.....	6.75 Each; 4 for	26.00
30 to 36 in.....	7.75 Each; 4 for	30.00
3 to 4 ft.....	9.00 Each; 4 for	34.00

BLUE PFITZERS JUNIPER

(Pictured in color on page 17). Exactly the same as the Pfitzers Juniper only the color is a beautiful iridescent silver-blue. Very hardy. Balled and burlapped specimens, not prepaid.

18 to 24 in.....	5.75 Each; 4 for	22.00
24 to 30 in.....	6.75 Each; 4 for	26.00
30 to 36 in.....	7.75 Each; 4 for	30.00

COMPACT PFITZERS JUNIPER

More dwarf and compact than the regular Pfitzer. Grey-green, fine textured foliage. Balled and burlapped specimens, not prepaid.

12 to 18 in.....	\$4.75 Each; 4 for	\$18.00
18 to 24 in.....	5.75 Each; 4 for	22.00
24 to 30 in.....	6.75 Each; 4 for	26.00
30 to 36 in.....	7.75 Each; 4 for	30.00

GOLDEN PFITZERS JUNIPER

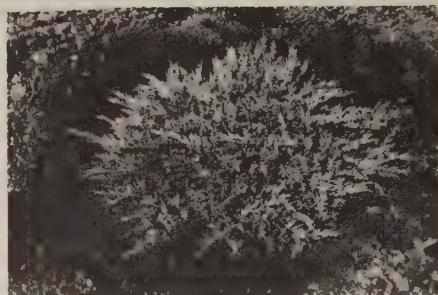

Same shape and habit of growth as Pfitzers Juniper except the ends of its branches are a rich golden color. Balled and burlapped specimens, not prepaid.

18 to 24 in.....	5.75 Each; 4 for	22.00
24 to 30 in.....	6.75 Each; 4 for	26.00
30 to 36 in.....	7.75 Each; 4 for	30.00

SILVERSTAR JUNIPER

(Scopulorum)—A low spreading form of the Colorado Silver Juniper. Color is attractive silver-blue. Balled and burlapped specimens, not prepaid.

12 to 18 in.....	\$4.75 Each; 4 for	\$18.00
18 to 24 in.....	5.75 Each; 4 for	22.00
24 to 30 in.....	6.75 Each; 4 for	26.00

ANDORRA JUNIPER

(Pictured above). Grows much lower and flatter than the Pfitzers. Bright green color turns a rich plum color in the winter. Balled and burlapped specimens, not prepaid.

18 to 24 in.....	5.75 Each; 4 for	22.00
24 to 30 in.....	6.75 Each; 4 for	26.00
30 to 36 in.....	7.75 Each; 4 for	30.00

COMMUNIS JUNIPER

(Pictured above). Low, flat, trailing Juniper. Dark green, fine-textured foliage. Balled and burlapped specimens. Not prepaid.

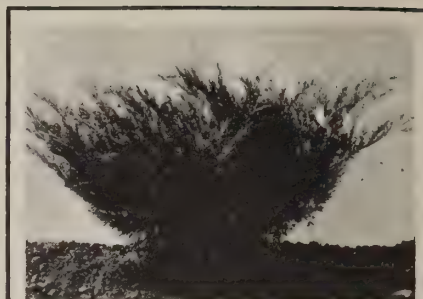

18 to 24 in.....	5.75 Each; 4 for	22.00
24 to 30 in.....	6.75 Each; 4 for	26.00

ARMSTRONG JUNIPER

Grows almost as low as the Andorra Juniper, except the foliage is bright green and finely textured. Just the thing for planting islands as shown above. Extremely hardy. Balled and burlapped specimens, not prepaid.

12 to 18 inches.....	\$4.75 Each; 4 for	\$18.00
18 to 24 inches.....	5.75 Each; 4 for	22.00

SAVIN JUNIPER

(Pictured above and in color on page 17). Grows more upright or "vase" shape than the Pfitzer. Short, tufted, dark green foliage. Balled and burlapped specimens, not prepaid.

—NEW LOW PRICES—

12 to 18 in.....	\$4.00 Each; 4 for	\$15.00
18 to 24 in.....	5.00 Each; 4 for	19.00
24 to 30 in.....	6.00 Each; 4 for	23.00
30 to 36 in.....	7.00 Each; 4 for	27.00
3 to 4 ft.....	8.00 Each; 4 for	31.00
4 to 5 ft.....	9.00 Each; 4 for	35.00

TAMARIX SAVIN JUNIPER

(Pictured above). One of the most beautiful of the spreading Junipers. The light green, lacy foliage densely fills the low plant, giving it a misty green effect. Balled and burlapped specimens, not prepaid.

12 to 18 in.....	\$4.75 Each; 4 for	\$18.00
18 to 24 in.....	5.75 Each; 4 for	22.00
24 to 30 in.....	6.75 Each; 4 for	26.00

GLOBE SILVERSTAR JUNIPER

Hardy and attractive form of the spreading Silverstar Juniper listed to left. The color is soft silver-blue. Excellent for the entrance planting or the planting box. Balled and burlapped specimens, not prepaid.

18 to 24 in.....	\$7.75 Each; 4 for	\$30.00
24 to 30 in.....	8.75 Each; 4 for	34.00

GLOBE VON EHROH JUNIPER

(Pictured below). Fine textured, dark green foliage. Sheared globe-shape. Hardy and attractive. Balled and burlapped specimens. Not prepaid.

9 to 12 in.....	\$4.75 Each; 4 for	\$18.00
12 to 15 in.....	5.75 Each; 4 for	22.00
15 to 18 in.....	6.75 Each; 4 for	26.00
18 to 24 in.....	7.75 Each; 4 for	30.00

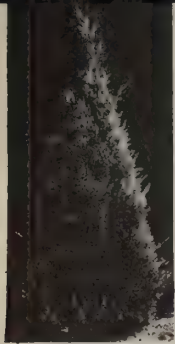

PINES

AUSTRIAN PINE

(Pictured to the left). Attractive, long-needed foliage. Grows into a beautiful large, long-lived tree. Extremely hardy, it is rarely bothered by insects or diseases. Just the thing for a specimen tree in your yard. Perfect to set off the landscape of your home. Very hardy and easy to grow. Balled and burlapped specimens. Not prepaid.

BURKI JUNIPER

KETELEER JUNIPER

CHANDLERS SILVER JUNIPER

EXCELSA JUNIPER

STERLING SILVER

COLOGREEN JUNIPER

MOONMIST JUNIPER

UPRIGHT GRAFTED JUNIPERS

BURKI JUNIPER—(Virginiana). Pictured above. A perfectly hardy tree for the great plains region. Beautiful, deep silvery blue pyramidal evergreen. Winter color is metallic purple. Balled and burlapped specimens. Not prepaid.

2	to 2½ ft.	7.50 each; 2 for 14.50
2½	to 3 ft.	8.00 each; 2 for 15.50
3	to 3½ ft.	9.50 each; 2 for 18.50
3½	to 4 ft.	11.00 each; 2 for 21.50
4	to 4½ ft.	13.00 each; 2 for 25.50

CANART JUNIPER—(Virginiana). (Pictured in color on page 17). Rich textured foliage of beautiful deep dark green, which does not bronze in the winter. It often bears silvery colored "Juniper Berries" which are a striking contrast to the deep green foliage. Extremely hardy. Balled and burlapped specimens. Not prepaid.

3½	to 4 ft.	11.00 each; 2 for 21.50
4	to 4½ ft.	13.00 each; 2 for 25.50
4½	to 5 ft.	15.00 each; 2 for 29.50
5	to 5½ ft.	17.00 each; 2 for 33.50

CHANDLERS SILVER JUNIPER—(Scopulorum). Pictured above. Beautiful silvery foliage of fine feathery texture. An extremely hardy and outstanding variety. Balled and burlapped specimens. Not prepaid.

2	to 2½ ft.	7.50 each; 2 for 14.50
2½	to 3 ft.	8.00 each; 2 for 15.50
3	to 3½ ft.	9.50 each; 2 for 18.50
3½	to 4 ft.	11.00 each; 2 for 21.50

COLOGREEN JUNIPER—Pictured above. Fine-textured Scopulorum foliage, but instead of the usual silvery color, it has a light, bright emerald green color. Very hardy. Balled and burlapped specimens. Not prepaid.

2	to 2½ ft.	\$7.00 each; 2 for \$13.50
2½	to 3 ft.	7.50 each; 2 for 14.50
3	to 3½ ft.	9.00 each; 2 for 17.50
3½	to 4 ft.	10.50 each; 2 for 20.50
4	to 4½ ft.	12.00 each; 2 for 23.50
4½	to 5 ft.	14.00 each; 2 for 27.50
5	to 5½ ft.	16.00 each; 2 for 31.50

STERLING SILVER JUNIPER—(Pictured above). Our newest variety of upright evergreen. A sparkling silvery color that reminds one of Sterling Silver. Not prepaid.

4	to 4½ ft.	13.00 each; 2 for 25.50
4½	to 5 ft.	15.00 each; 2 for 29.50
5	to 5½ ft.	17.00 each; 2 for 33.50

WHY GRAFTED EVERGREENS? When a choice evergreen is developed by selection or breeding, its characteristics, including color, shape, habit of growth and hardiness, can be carried to its offspring by grafting. It is almost impossible to get two seedling Junipers alike because of seedling variation. Grafted evergreens are a little more in cost, but are well worth the difference.

The evergreens listed on this page are large, well-furnished, balled and burlapped specimens; not light, bare-rooted plants. When shipped to you, they are crated or basketed for added protection. Complete instructions for planting and care come with each order.

DUNDEE JUNIPER—A very compact, symmetrical, pyramidal evergreen with beautiful bluish-green, finely-textured foliage. Winter color is an attractive purplish-plum shade. Very hardy. Balled and burlapped specimens. Not prepaid.

3	to 3½ ft.	9.00 each; 2 for 17.50
3½	to 4 ft.	10.50 each; 2 for 20.50
4	to 4½ ft.	12.00 each; 2 for 23.50
4½	to 5 ft.	14.00 each; 2 for 27.50
5	to 5½ ft.	16.00 each; 2 for 31.50
5½	to 6 ft.	18.00 each; 2 for 35.50
6	to 6½ ft.	20.00 each; 2 for 39.50
6½	to 7 ft.	22.00 each; 2 for 43.50

EXCELSA GREEK JUNIPER—Pictured above. A naturally dwarf evergreen. A broad conical growth form, never needs shearing. Extremely attractive heavy bluish foliage. Balled and burlapped specimens. Not prepaid.

3½	to 4 ft.	9.50 each; 2 for 18.50
4	to 4½ ft.	11.00 each; 2 for 21.50
4½	to 5 ft.	13.00 each; 2 for 25.50

HILLSPIRE JUNIPER—Rich dark, green color similar to that of the Canart but the texture is finer. Holds its green color during the winter. Balled and burlapped specimens. Not prepaid.

3	to 3½ ft.	9.00 each; 2 for 17.50
3½	to 4 ft.	10.50 each; 2 for 20.50
4	to 4½ ft.	12.00 each; 2 for 23.50
4½	to 5 ft.	14.00 each; 2 for 27.50

KANSAS SILVER JUNIPER—(Scopulorum). (Pictured in color on page 17). A very compact, upright growing tree with attractive silver-blue foliage. Holds its compact, narrow, pyramidal, pointed shape with little or no shearing. A very choice variety. Balled and burlapped specimens. Not prepaid.

2½	to 3 ft.	8.00 each; 2 for 15.50
3	to 3½ ft.	9.50 each; 2 for 18.50
3½	to 4 ft.	11.00 each; 2 for 21.50
4	to 4½ ft.	13.00 each; 2 for 25.50
4½	to 5 ft.	15.00 each; 2 for 29.50

KETELEER JUNIPER—(Pictured above). A broad pyramid in habit of growth with ascending branches. The foliage is attractively arranged on the branches and is bright green. Recommended for the north sides of buildings. Balled and Burlapped specimens, not prepaid.

3½	to 4 ft.	10.50 each; 2 for 20.50
4	to 4½ ft.	12.00 each; 2 for 23.50
4½	to 5 ft.	14.00 each; 2 for 27.50
5	to 5½ ft.	16.00 each; 2 for 30.00
5½	to 6 ft.	18.00 each; 2 for 35.00

MASCULA JUNIPER—(Chinensis). An unusual upright evergreen. The mature foliage is smooth and dark green. The newer growth is more divided and grey-green, giving a silver-starry appearance against a dark green background. Balled and burlapped specimens, not prepaid.

3½	to 4 ft.	10.50 each; 2 for 20.50
4	to 4½ ft.	12.00 each; 2 for 23.50
4½	to 5 ft.	14.00 each; 2 for 27.50

MISSION JUNIPER—(Scopulorum). A very beautiful and hardy tree with iridescent silver-blue foliage. Quite upright in growth. Balled and burlapped specimens. Not prepaid.

2½	to 3 ft.	8.00 each; 2 for 15.50
3	to 3½ ft.	9.50 each; 2 for 18.50
3½	to 4 ft.	11.00 each; 2 for 21.50
4	to 4½ ft.	13.00 each; 2 for 25.50

MOONMIST JUNIPER—(Juniperus scopulorum alba). (Pictured above). A new silver-blue evergreen. Fine, delicate, misty-blue foliage is closely set around a straight stem. Branches are slightly ascending. The hardy and vigorous tree is more dwarf than most other evergreens. Balled and burlapped specimens, not prepaid.

3	to 3½ ft.	8.00 each; 2 for 15.50
3½	to 4 ft.	9.50 each; 2 for 18.50
4	to 4½ ft.	11.00 each; 2 for 21.50
4½	to 5 ft.	13.00 each; 2 for 25.50
5	to 5½ ft.	15.00 each; 2 for 29.50

PATHFINDER JUNIPER—Outstanding by reason of the attractive bluish-silver foliage. Full at the base, limbs curved upwards. Extremely hardy. Balled and burlapped specimens. Not prepaid.

2½	to 3 ft.	8.00 each; 2 for 15.50
3	to 3½ ft.	9.50 each; 2 for 18.50
3½	to 4 ft.	11.00 each; 2 for 21.50
4	to 4½ ft.	13.00 each; 2 for 25.50
4½	to 5 ft.	15.00 each; 2 for 29.50

COLORADO BLUE SPRUCE

Everyone is familiar with the outstanding beauty of this fabulous evergreen with its beautiful silvery-blue color. Our supply is limited. **BALLED and BURLAPPED.** Not prepaid.

15 to 18 in.	\$ 9.75 each
18 to 24 in.	12.75 each

RED CEDAR

the all-purpose evergreen

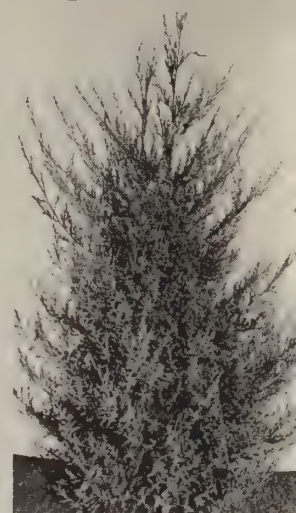

The RED CEDAR or VIRGINIANA JUNIPER is one of the most useful and the hardiest of evergreens for the Great Plains Region. It has fine-textured foliage of bright green color which turns reddish-bronze in the winter. We can furnish sheared, balled and burlapped specimens for foundation plantings and for yard and park work. We can also furnish unsheared or natural trees for windbreaks, shelterbelts, hedges, or for park or roadside plantings. We can furnish these in small bare-root trees, small to medium-size potted trees or larger balled & burlapped trees.

Specimen Red Cedar

FOR GENERAL
LANDSCAPE USE—

Red Cedar may be kept small or any desired SHAPE or SIZE by shearing, which requires only a few minutes a year. This shearing makes them more dense and compact. Sheared specimens are used extensively as accent points in foundation plantings and landscapes, to frame entrances, etc. **BALLED AND BURLAPPED SHEARED SPECIMENS.** Not prepaid.

2 to 2½ ft.	\$4.50 each; 2 for \$ 8.50	4 to 4½ ft.	\$ 7.25 each; 2 for \$14.00
2½ to 3 ft.	5.00 each; 2 for 9.50	4½ to 5 ft.	8.25 each; 2 for 16.00
3 to 3½ ft.	5.50 each; 2 for 10.50	5 to 5½ ft.	9.25 each; 2 for 18.00
3½ to 4 ft.	6.25 each; 2 for 12.00	5½ to 6 ft.	10.25 each; 2 for 20.00

NATURAL—UNSHEARED
(Listed below)

Windbreak Red Cedar bare-root potted balled & burlapped

Potted Red Cedar

Plant potted Red Cedars for immediate effect and quick results in your windbreaks, hedges and shelterbelts. These hardy evergreens are planted and growing in removable containers and will suffer no set-back or loss as is to be expected with bare-root trees. Ideal for replacements or to fill in vacant places in a previously planted shelterbelt. Our supply is very limited, order early. **STRONG, POTTED TREES, Not Prepaid.**

SMALL BARE-ROOT RED CEDAR—for Hedges, Windbreaks, Etc.

Sturdy 2 yr. old Red Cedar seedlings, grown right here in Salina. All stock will be dug fresh, the roots dipped in mud and then shipped immediately. Order early so that your supply can be shipped when we start digging late in March or early in April. (Bare-root Cedars cannot be planted in the fall) Note our attractive prices for the larger quantities. Prices listed below are postpaid except those listed PER 500 and PER 1000. Those listed PER 500 and PER 1000 WILL BE SHIPPED EXPRESS COLLECT.

COLORADO SILVER CEDAR

The Colorado Silver Cedar (*Scopulorum Juniper*) is very similar in habit of growth and hardness to the Red Cedar, except the texture of the foliage is finer and the color is usually silvery green. Being grown from seed, the color of these trees will vary. (See "WHY GRAFTED EVERGREENS?" on page 13) **SHEARED SPECIMENS** are excellent for foundation plantings. **BALLED AND BURLAPPED, Not prepaid.**

ARBORVITAE

evergreens with the
"ironed-out" foliage

Chinese Arborvitae

(Pictured to the left.) Chinese Arborvitae is one of the most adaptable trees to use for foundation planting. They may be sheared into nearly any shape from narrow cones to ovals or globes. They are extremely hardy and drought resistant. When allowed to grow naturally, they make excellent backgrounds or screens. Balled and burlapped specimens, not prepaid.

3	to 3½ ft.	4.00 Each; 2 for	7.50
3½	to 4 ft.	4.50 Each; 2 for	8.50
4	to 4½ ft.	5.25 Each; 2 for	10.00

Berckmann's Golden Arborvitae

See Colored Picture on Page 17

Dwarf, compact and ornamental. Bright, golden green "ironed-out" foliage. It is, without a doubt, one of the most strikingly beautiful of all evergreens. Its dwarf and compact habit of growth and color makes it extremely valuable in landscaping. BALLED AND BURLAPPED SPECIMENS, not prepaid.

1½	to 2 ft.	5.25 each; 2 for	10.00
2	to 2½ ft.	6.25 each; 2 for	12.00
2½	to 3 ft.	7.25 each; 2 for	14.00
3	to 3½ ft.	8.50 each; 2 for	16.50

4	to 4½ ft.	10.50 each; 2 for	20.50
4½	to 5 ft.	11.50 each; 2 for	22.50

Compact Arborvitae

Attractive dense and compact bright green foliage. Its shape is oval to oval-upright. Valuable for landscape work and foundation plantings. Fine for planting boxes and cemeteries. Very hardy. BALLED AND BURLAPPED SPECIMENS, not prepaid.

1½	to 2 ft.	\$3.75 each; 2 for	\$7.00
2	to 2½ ft.	4.50 each; 2 for	8.50
2½	to 3 ft.	5.50 each; 2 for	10.50
3	to 3½ ft.	6.50 each; 2 for	12.50
3½	to 4 ft.	7.50 each; 2 for	14.50
4	to 4½ ft.	8.75 each; 2 for	17.00
4½	to 5 ft.	9.75 each; 2 for	19.00

GLOBE

LODENSE PRIVET

These really should be listed with the Broadleaved Evergreens (these are not Arborvitae). Beautiful specimens with bright glossy green foliage resembling Boxwood. Excellent for foundation planting and planter boxes. Leaves will shed during the coldest part of the winter but they are usually green 9 or 10

months of the year. Grow best in a sunny location.

12 to 15 inch	\$3.75 each; 2 for	\$ 7.00
15 to 18 inch	4.75 each; 2 for	9.00
18 to 24 inch	5.75 each; 2 for	11.00

Chinese Arborvitae for Hedges

Chinese Arborvitae makes ideal hedges for year-round beauty. They can be kept clipped or boxed nearly any size from 3 to 10 feet high. Plant bare-root plants 18 inches apart for clipped hedges. For tall screens, backgrounds or windbreaks, plant 3 to 6 feet apart. Plant balled and burlapped plants 2 feet apart for clipped hedges. Bare root plants cannot be planted in the fall.

SMALL 2-YEAR SEEDLINGS (Bare-root or not Balled & Burlapped)

Prices listed below are postpaid, except those in shaded area. Those printed in shaded area will be shipped charges collect.

Sizes	Per 10	Per 25	Per 50	Per 100
6 to 9 in.	\$2.00	\$ 3.75	\$ 7.00	\$ 8.00
9 to 12 in.	3.00	5.00	7.50	10.00
12 to 18 in.	4.00	7.50	10.00	18.00

3-YEAR ONCE-TRANSPLANTED ARBORVITAE PLANTS (Bare-root or not Balled & Burlapped)

Prices listed below are not prepaid.

Sizes	Per 10	Per 25	Per 50	Per 100
12 to 18 in.	\$4.25	\$ 8.00	\$11.25	\$20.00

24 to 30 in.	7.50	17.50	30.00	50.00

The above prices are not prepaid. We will ship prepaid 10 to 20 of the above for an additional 10% of the "10 rate". Larger quantities are more economically shipped Express or Motor freight, charges collect.

LARGER BALLED & BURLAPPED TREES for IMMEDIATE EFFECT

It usually takes 3 or 4 years to get the small bare-root plants to make a hedge 3 feet high, so for those who do not want to wait so long, we have these larger balled and burlapped trees. By growing them closer together in the row and not shearing them, we are able to offer them at these low prices so that you can afford to plant a hedge that will give you almost immediate effect. These can be planted either spring or fall. Not prepaid.

Sizes	Per 5	Per 10	Per 25	Per 50
2 to 2½ ft.	\$10.00	\$18.00	\$40.00	\$70.00

5½ to 6 ft.	30.00	58.00	140.00	270.00

EUONYMUS PATENS (Winterberry)

This beautiful broadleaved evergreen shrub has deep, green foliage and a compact habit of growth. In addition to its attractive foliage, it bears clusters of flowers in July and is magnificent with its scarlet-red berries when in full fruit in late fall or early winter. We grow three types as listed below. ALSO EXCELLENT FOR HEDGES. SEE PAGE 7.

SMALL LEAF TYPE—(See color picture, opposite page) Has smaller leaves and is more dwarf and compact. Seldom does much fruiting. Excellent for the north side or shady planting boxes. Extremely hardy. Balled and Burlapped specimens not prepaid.

12 to 18 in. \$3.00 each; 4 for \$11.00
18 to 24 in. 3.75 each; 4 for 14.00
24 to 30 in. 4.50 each; 4 for 17.00

MEDIUM LEAF TYPE—Size of leaves is intermediate between small and large leaf types. Dwarf and compact and fruits profusely. Balled and Burlapped specimens not prepaid.

12 to 18 in. \$3.00 each; 4 for \$11.00
18 to 24 in. 3.75 each; 4 for 14.00
24 to 30 in. 4.50 each; 4 for 17.00

LARGE LEAF TYPE—Grows 3 to 4 feet high but can be kept smaller by trimming. Bears flowers and fruits as described above. Balled and Burlapped specimens not prepaid.

18 to 24 in. \$3.75 each; 4 for \$14.00
24 to 30 in. 4.50 each; 4 for 17.00
30 to 36 in. 5.50 each; 4 for 21.00

The new MANHATTAN (K-54) EUONYMUS

(See color picture on opposite page). This variety was selected by Kansas State College especially for this area. Its foliage is glossier and greener and is more resistant to attack from grasshoppers and other insects. It will grow anywhere, especially in that "hard-to-grow" spot. Extremely hardy. Not prepaid.

12 to 18 in., container-grown plants . . . \$3.00 each; 4 for \$11.00
12 to 18 in., balled & burlapped . . . 3.25 each; 4 for 12.00
18 to 24 in., balled & burlapped . . . 4.00 each; 4 for 15.00

EUONYMUS COLORATUS

(See picture to the left). ALSO CALLED PURPLE-LEAF WINTERCREEPER. A Broad-leaved evergreen vine with ascending branches, 3 to 5 feet in length, with glossy pointed leaves, turning a rich purple in winter. Will grow in sun or shade. Useful for softening down corners of steps or buildings. Makes a good evergreen sprawling ground cover in shady situations. Excellent for planting boxes. Not prepaid.

STRONG NO. 1 POTTED PLANTS

\$1.35 Each; 5 for \$6.50
10 for \$12.50

MAHONIA-OREGON HOLLY GRAPE

(See colored picture, opposite page)

Shiny, large spiny, metallic-looking, holly-shaped leaves turning a bronzy red in fall. Clusters of yellow flowers in the spring followed by blue berries. Perfect for north and east exposures. Dwarf and attractive for foundation planting. Not Pepsaid.

BALLED & BURLAPPED SPECIMEN PLANTS—
15 to 18 in. \$6.75 each; 2 for \$12.50
18 to 24 in. \$8.00 each; 2 for \$15.00

BROADLEAVED EVERGREENS

Broadleaved Evergreens are a class of shrubs that retain their leaves throughout the winter. (except in the north). They are ideal to use in the foundation planting of the contemporary house because of their dwarf habit of growth and their pleasing combination with evergreens.

COTONEASTER DIVARICATA

(Pictured to the right). This is an attractive Broadleaved Evergreen Shrub with glossy, small, dark green foliage. It has a very slender, graceful branching habit, and produces brilliant red berries in the late summer or fall. Flowers in the late spring are pink. Not prepaid.

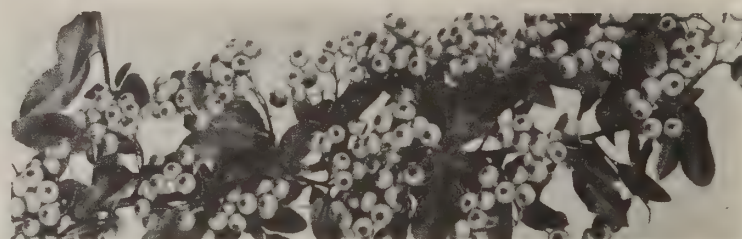

Container Grown	Each	Per 4
12 to 18 in.	\$3.25	\$12.00
18 to 24 in.	4.00	15.00

MENTOR BARBERRY

Since this beautiful shrub holds its foliage nearly all winter, it is often classed with the Broadleaved Evergreens. A very rugged, strong, upright-growing shrub with thick, heavy, dark green leaves. It will grow anywhere, even in the hottest, driest places. Grows dense, compact and from 2 to 3 feet. Requires very little pruning or trimming. Prices are not prepaid.

Container Grown	Each	Per 4
12 to 18 in.	\$3.00	\$11.00
Balled & Burlapped:		
18 to 24 in.	4.00	15.00
24 to 30 in.	4.75	18.00

PYRACANTHA (FIRETHORN)

(Pictured above and below). ALSO CALLED FIRETHORN. A broad-leaved Evergreen grown especially for its brilliant orange berries that remain on nearly all winter. It also bears clusters of white flowers in the spring.

Grows about 3 to 4 feet high and can be used in the foundation planting or shrub border.

Attractive foliage that stays on all winter. Berries make attractive bouquets.

Strong plants growing in special removable containers, sure to grow. Not prepaid.

	Each	Per 4

BULBS for Spring Planting

Quality GLADIOLUS

Ten NEW Extra Choice Varieties

(Pictured on Opposite Page)

PRICES ARE POSTPAID

BURMA—Glowing rosy-red. Large, perfect, ruffled flowers. One of the greatest Glads of all time. Large bulbs: 5 for 60c; 10 for \$1.00.

ELIZABETH THE QUEEN—A wonderful variety with very large, exquisitely ruffled lavender flowers. Excellent show variety. Large bulbs: 5 for 60c; 10 for \$1.00.

HAN VAN MEEGEREN—Very large flowers of pure buttercup yellow. Large bulbs: 5 for 60c; 10 for \$1.00.

MARSHALL MONTGOMERY—Very large spikes of deep blood red with a sheen of velvety garnet red glow. Large bulbs: 5 for 60c; 10 for \$1.00.

MEMORIAL DAY—Large, beautifully ruffled flowers. Shimmering light peony purple. Large bulbs: 5 for 60c; 10 for \$1.00.

NEW EUROPE—This dazzling geranium-red Glad is one of the tallest and strongest growers. Large bulbs: 5 for 60c; 10 for \$1.00.

PACTOLUS—Large, slightly ruffled flowers of a delicate, glowing apricot-gold with a brilliant red-orange blotch. Large bulbs: 5 for 60c; 10 for \$1.00.

PICARDY—One of America's most popular Glads. Large florets, slightly ruffled, of delicate apricot pink. Large bulbs: 5 for 60c; 10 for \$1.00.

SNOWPRINCESS—Flowers are large, beautifully ruffled, perfect form and a pure snow white. Early blooming. Large bulbs: 5 for 60c; 10 for \$1.00.

SPIC & SPAN—The grand champion of all Glads, regardless of color. Beautiful flowers, perfect form, wonderfully large spikes, excellent grower and a rich color of deep ruffled pink. Large bulbs: 5 for 60c; 10 for \$1.00.

Our Superb GLAD MIXTURE

In this mixture are exactly the same color range as are those listed and described above, except they are smaller bulbs and are not labeled. You will recognize some of the famous varieties when they bloom. Although smaller, they are young, vigorous bulbs that will produce flowers almost as large as the larger ones listed above. We know you will be pleased with the large spikes of perfect flowers they will produce the first season. Postpaid.

25 for.....	1.50	100 for.....	4.00

TUBEROSES For Fragrance

Tall flower spikes with very fragrant, waxy-white flowers from July to frost. Very fine cut flower as a single spike will perfume a whole room. Often 20 or more flowers on a single plant. Grows in full sun or part shade. Plant the bulbs outdoors after all danger of frost is over and the ground has become warm. POSTPAID. 3 for 75c; 5 for \$1.00.

TUBEROUS BEGONIAS—see back cover

DECORATIVE DAHLIAS

LARGE, DOUBLE, SHOWY DAHLIA. PRICES ARE POSTPAID.

THE COMMODORE—the best yellow Dahlia. Large and spectacular flowers produced freely on strong stems. 50c each; 2 for 90c.

MRS. GEORGE Le BOUTILLIER—Giant flowers of deep crimson-red. Without a doubt the greatest of all reds. 50c each; 2 for 90c.

MRS. I. de ver WARNER—Immense, deep flowers of mauve or orchid-pink. 50c each; 2 for 90c.

D. DAY—Outstanding large sized pure pink; fine for cutting. 50c each; 2 for 90c.

DECORATIVE DAHLIA SPECIAL

One each of the 4 Decorative Dahlias (not labeled) for \$1.60, postpaid.

Two each of the 4 Decorative Dahlias (eight in all) not labeled, for \$3.00.

POMPON DAHLIAS

PICTURED ON OPPOSITE PAGE

FINE FOR CUTTING. BEAUTIFUL IN THE GARDEN. RICH GLOWING COLORS. PRICES ARE POSTPAID: 40c each; 3 (of one variety) for \$1.00.

AMBER QUEEN—Attractive, well formed, button-like blooms of amber.

MARY MUNNS—Soft lavender-pink, perfect in shape.

YELLOW GEM—Lovely small blooms of a pure rich yellow.

WHITE FAWN—Perfectly formed flowers of beautiful creamy white.

IKE—Round, long-stemmed blooms of a rich, red color.

POMPON DAHLIA SPECIAL

One each of all five varieties (above). Not labeled. \$1.25, postpaid.

Two each of the 5 Pompon Dahlias (ten in all) not labeled for \$2.25.

PEACOCK ORCHIDS

(*Acidanthera bicolor murielae*). (Pictured on opposite page). The fabled flower of the Abyssinian Mountains. Waxy white flowers with peacock throats of a mahogany tone. A delicate, orchid-like beauty with the subtle fragrance of Tuberoses. Bloom in the midsummer, grown just like Gladiolus. Blooming size bulbs, POSTPAID. 5 for 70c; 10 for \$1.10; 25 for \$2.25.

fancy - leaved CALADIUM

(Pictured on opposite page). No other plant can equal these for continuous display of colorful foliage from late spring until frost. They are easy to grow in sun, partial and even full shade. Caladium should be dug in the fall before frost and stored like Canna bulbs. They also may be brought indoors for winter display. Plant 4 inches deep after all danger of frost is over, or for an earlier start, they may be potted and kept indoors until all danger of frost is over. MIXED VARIETIES. large No. 1 bulbs, POSTPAID; 50c each; 3 for \$1.35; 10 for \$4.00.

Large flowering, Dwarf CANNAS

See Pages 18 and 28

HARDY PERENNIALS that bloom for weeks

ALYSSUM SAXATILE COMPACTUM (Basket of Gold)—(Pictured on opposite page). An excellent low border or rock garden plant growing about 9 inches high. Almost as soon as the winter is over it becomes a mass of yellow gold. A fine companion to spring bulbs. 55c each; 4 for \$2.00; 10 for \$4.50. Postpaid.

New HARDY ASTERS

Pictured on opposite page

THE ARCHBISHOP—Mammoth blossoms are produced in great sprays of deep blue-purple. Grows upright, about 3½ feet. Excellent for cutting. 75c each; 4 for \$2.80; 10 for \$6.50. Postpaid.

BEECHWOOD CHALLENGER—Considered the best red of all asters. Forms a well branched bush 3 to 3½ feet that is completely covered with these entrancing red flowers. September till frost. 65c each; 4 for \$2.40; 10 for \$5.50. Postpaid.

BLUE PLUME—Stately; effective spikes covered with the finest rich blue flowers. Almost double. Very choice, 3 to 3½ feet tall. 65c each; 4 for \$2.40; 10 for \$5.50. Postpaid.

HARRINGTON'S PINK—Produces beautiful silvery rose pink flowers in clusters continuously from early September till frost. Striking show in the garden. Valuable cut flower. 65c each; 4 for \$2.40; 10 for \$5.50. Postpaid.

JANET McMULLEN—Perhaps the largest flower of any hardy Aster. Soft rose-pink blossoms are massed gracefully along the stems. Grows about 3½ feet tall. 75c each; 4 for \$2.80; 10 for \$6.50. Postpaid.

EVENTIDE—A masterpiece from England. Striking deep violet-blue, huge and almost full. Trimly erect, free and vigorous. Fine for cutting. 3 ft. 75c each; 4 for \$2.80; 10 for \$6.50. Postpaid.

BABYSBREATH—Valuable perennial, used as "filler" for bouquets. We offer the following varieties:

Bristol Fairy—The large double white Babysbreath. 95c each; 4 for \$3.60; 10 for \$8.50. Postpaid.

Pacific—Starry pink blossoms on branching panicles. Artistic, showy and one of the best. 55c each; 4 for \$2.00; 10 for \$4.50. Postpaid.

Single (Paniculata)—Old fashioned favorite. Fine mist-like flowers. Just the thing to lighten bouquets, especially roses. 45c each; 4 for \$1.60; 10 for \$3.50. Postpaid.

BLEEDING HEART—(See picture on opposite page). The old-fashioned hardy kind of grandmother's garden. Beautiful pink flowers in May. \$1.30 each; 4 for \$5.00; 10 for \$12.00. Postpaid.

HOLLYHOCKS, DOUBLE—(Pictured on opposite page). Tall spikes of lovely double flowers that resemble crepe-paper rosettes. Red, pink and yellow. 55c each; 4 for \$2.00; 10 for \$4.50. Postpaid.

COREOPSIS, MAYFIELD GIANT—(Pictured on opposite page). This variety is more vigorous with larger flowers and longer stems than common Coreopsis. The color is a rich golden yellow. Blooms nearly all summer. Has no equal for cutting or for garden effect. 45c each; 4 for \$1.60; 10 for \$3.50. Postpaid.

DAISIES

MARGUERITE (June or Elder) DAISY—Hardy white daisies similar to the Shasta except the flowers are slightly smaller. Always in bloom for Memorial Day. 55c each; 4 for \$2.00; 10 for \$4.50. Postpaid.

SHASTA DAISY, Giant Alaska—(See picture on opposite page). Large and popular strain that starts blooming in June and will continue until frost if flowers are kept picked. 55c each; 4 for \$2.00; 10 for \$4.50. Postpaid.

PAINTED DAISES—See Pyrethrum on page 23.

DELPHINIUMS—No perennial garden is complete without Delphiniums. We offer the following two varieties which we have found best suited for this region
Price (either variety): 55c each; 4 for \$2.00; 10 for \$4.50. Postpaid.

Belladonna Improved—Exquisite light or turquoise blue. Two feet. Blooms all summer and fall.

Bellamosum Improved—Similar to Belladonna Improved except the flowers are large deep blue, uniform in color and with a white bee.

SWEET VIOLETS, ROYAL ROBE—A lustrous shade of deepest violet-blue. Delicately fragrant and opens flat like a pansy. 55c each; 4 for \$2.00; 10 for \$4.50. Postpaid.

COLUMBINE

McKanna Giant Hybrids—(See picture on opposite page).

A new strain of larger flowers, longer spurs and a much richer color range. Excellent for cutting. 50c each; 4 for \$1.80; 10 for \$4.00. Postpaid.

Blue Shades—Large, long spurred flowers in shades of blue. 55c each; 4 for \$2.00; 10 for \$4.50. Postpaid.

Mrs. Scott Elliott—Exquisite long spurred flowers of beautiful pastel shades, many two-toned. Mixed colors. 50c each; 4 for \$1.80; 10 for \$4.00. Postpaid.

Silver Queen—Extra large long spurred flowers of showy silvery white. Very fine. 50c each; 4 for \$1.80; 10 for \$4.00. Postpaid.

★ **SPECIAL**—One each of the above 4 varieties labeled for \$1.85. Postpaid.

★ **SPECIAL**—12 Columbine plants in mixed colors. We select them from the above varieties. The dozen for \$5.25, postpaid.

MORDEN'S LYTHRUM—(See picture on opposite page). Produces, in great profusion, spikes of exquisite rose-pink flowers of "crepe-paper" texture. Blooms all summer and is at its peak during July and August when flowers are needed. Extremely hardy, easy to grow and will thrive in wet or dry locations. 65c each; 4 for \$2.40; 10 for \$5.50. Postpaid.

PEONIES

EDULIS SUPERBA—The great "Memorial Day" pink Peony. Blooms early, very freely, with large, double flowers. 90c each; 4 for \$3.40; 10 for \$8.00. Postpaid.

FELIX CROUSSE—Bright ruby-red, large bomb type, good cut flower and keeps well. Blooms midseason. \$1.10 each; 4 for \$4.20; 10 for \$10.00. Postpaid.

FESTIVA MAXIMA—Pure white with the center flecked with crimson. Extra large and very double. Blooms early. \$1.25 each; 4 for \$4.80; 10 for \$11.50. Postpaid.

KARL ROSENFELD—Brilliant dark velvet red. Very large and double. Excellent cut flower. Blooms mid-season. \$1.25 each; 4 for \$4.80; 10 for \$11.50. Postpaid.

MONS JULES ELI—Lilac-pink shading to deeper rose overlaid with a silver sheen. Midseason. \$1.25 each; 4 for \$4.80; 10 for \$11.50. Postpaid.

1 EACH OF ALL FIVE, Postpaid \$5.25

PHLOX DIVARICATA—Also called Wood Sweet William or Wood Phlox. Produces an abundance of lavender-blue flowers in April and May. Prefers partial shade. 10 to 12 inches. 65c each; 4 for \$2.40; 10 for \$5.50. Postpaid.

CREeping PHLOX (subulata)—(See picture on opposite page). Grows only about 4 inches tall; Produces a moss-like foliage that stays green all through the winter. It is completely covered with exquisite flowers in the spring. Will grow in the sun or partial shade. We offer this in three colors: BLUE, PINK and WHITE. 55c each; 4 for \$2.00; 10 for \$4.50. Postpaid.

GAILLARDIA, Burgundy—A striking wine-red variety. Large flowers on long stiff stems. June until fall. 55c each; 4 for \$2.00; 10 for \$4.50. Postpaid.

GAILLARDIA, Goblin—(Pictured on page 22). A new variety. Very compact, globular plants; not as loose and open as most other varieties. The flowers are rich red, fringed with bright yellow. A striking bicolor. 55c each; 4 for \$2.00; 10 for \$4.50. Postpaid.

SWEET WILLIAM, DWARF MIDGET—Ball-type plant growing from 3 to 4 inches. Large blooms cover the plant. Color ranges from white to deep shades of red, mostly tricolored. Excellent for edging borders. 55c each; 4 for \$2.00; 10 for \$4.50. Postpaid.

SWEET WILLIAM, GIANT FLOWERING—(Pictured on opposite page). The old-fashioned single and double Sweet Williams in mixed colors. 55c each; 4 for \$2.00; 10 for \$4.50. Postpaid.

HARDY PERENNIALS

Continued from Page 20

HEMEROCALLIS THE IMPROVED DAYLILY

We offer the following fifteen varieties of these hardy, easy to grow perennials. Prices are postpaid.

AUGUST PIONEER—Orange with reddish flush. 50c each; 4 for \$1.80; 10 for \$4.00.

BATTLE CRY—Mahogany red with cream-white throat. 95c each; 4 for \$3.60; 10 for \$8.50.

CLARINDA—Very long flowers of Empire yellow. 95c each; 4 for \$3.60; 10 for \$8.50.

EMILY DICKINSON—glistening yellow flowers. 65c each; 4 for \$2.40; 10 for \$5.50.

FLAMING SWORD—Flaming red with velvet sheen. 95c each; 4 for \$3.60; 10 for \$8.50.

HYPERION—Citron yellow, very fragrant. 95c each; 4 for \$3.60; 10 for \$8.50.

KWANZA—Orange-yellow. Double. 50c each; 4 for \$1.80; 10 for \$4.00.

LEMON TULIP—Long, clear lemon-yellow. 95c each; 4 for \$3.60; 10 for \$8.50.

LINDA—Gold washed with rose. Creped edges. Deeper rose throat. Alternate petals are cream-white. 80c each; 4 for \$3.00; 10 for \$7.00.

MIKADO—Orange-red with mahogany-red spot on each petal. 50c each; 4 for \$1.80; 10 for \$4.00.

MARY HENRY—Alternating petals of deep and light yellow. 65c each; 4 for \$2.40; 10 for \$5.50.

MARGARET PERRY—Scarlet-orange with yellow center. 50c each; 4 for \$1.80; 10 for \$4.00.

RAJAH—Brilliant flame red with darker red triangular throat. 40c each; 4 for \$1.40; 10 for \$3.00.

REINBECK—delicate yellow flowers with glistening sheen. 95c each; 4 for \$3.60; 10 for \$8.50.

THERON—Mahogany red with deep golden throat. 80c each; 4 for \$3.00; 10 for \$7.00.

HEUCHERA ROSAMUNDI—(Coralbells). (See picture on opposite page). The most desirable of all the Coralbells. It is a strong grower, not subject to diseases and produces an abundance of fine coral-pink blooms on tall, strong stems which last over 2 months. 80c each; 4 for \$3.00; 10 for \$7.00. Postpaid.

HELIANTHUS (Hardy Double Sunflower)—Sometimes called Hardy Dahlia. Large double dahlia-like flowers on long stems excellent for cutting. Rich sunflower yellow. Blooms from mid-summer until frost. Grows 3 to 4 feet high. 55c each; 4 for \$2.00; 10 for \$4.50. Postpaid.

HIBISCUS—(Pictured on opposite page). Also called Rose-Mallows, are herbaceous shrubs bearing huge showy flowers usually about 6 inches across. Extremely hardy and will grow in hot dry locations. They bloom from July until frost when other flowers are scarce. Grow about 4 ft. high. Tops die down each winter and must be cut back each spring like Butterfly Bush. It makes a full size bush each season before summer. Mixed colors only. 65c each; 4 for \$2.40; 10 for \$5.50. Postpaid.

LILY OF THE VALLEY—Old fashioned favorite. Pips best planted shallow. For the shady border in rich, deep soil, on north side of the house. Very hardy. Pips, 2 for 30c; 10 for \$1.25. Postpaid.

HARDY PINKS—(See picture on opposite page)—Little blossoms that range from crimson to white. Spicy odor. Silvery foliage. 6 to 12 inches. 55c each; 4 for \$2.00; 10 for \$4.50. Postpaid.

SPRENGERI FERN—Sometimes called Asparagus fern. The finest material for porch boxes. Although this is a perennial, it must be taken in during freezing weather. Postpaid. 50c each; 4 for \$1.80; 10 for \$4.00.

HARDY CARNATIONS—Pictured on opposite page. Carnations begin blooming in early summer and continue until frost. Flowers are bright, showy clear colors and are excellent for cutting. Very hardy. We offer your choice of three colors: RED, PINK and WHITE. 50c each; 4 for \$1.80; 10 for \$4.00. Postpaid.

HARDY CARNATION SPECIAL	}	1 FLAME KING	Both for \$1.00 Postpaid
		1 PINK BEATRIX	

FLAME KING CARNATION—Blooms from early summer until hard frosts. The flowers are very bright fiery crimson and are excellent for cutting. Will bloom the first season. Postpaid. 55c each; 4 for \$2.00; 10 for \$4.50.

PINK BEATRIX CARNATION—This is the best of all hardy pink carnations. Health, hardy plants bear lovely, clear, deep pink flowers all through the season. Postpaid. 55c each; 4 for \$2.00; 10 for \$4.50.

HARDY PHLOX

(SEE PICTURE ON OPPOSITE PAGE)

We offer the following six choice varieties that are especially adapted to this section.

BEACON—Cherry red with white-colored eye. 50c each; 4 for \$1.80; 10 for \$4.00. Postpaid.

BRILLIANT—Bright cerise red. 55c each; 4 for \$2.00; 10 for \$4.50. Postpaid.

FLASH—New large rosy-red. One of the best. 55c each; 4 for \$2.00; 10 for \$4.50. Postpaid.

LILLIAN—Pure pink without a trace of magenta. Very large florets. Blooms profusely. 50c each; 4 for \$1.80; 10 for \$4.00. Postpaid.

RIJNSTROOM—Pink with a rosy-lavender cast. 50c each; 4 for \$1.80; 10 for \$4.00. Postpaid.

WHITE ADMIRAL—Produces enormous pure white heads and is in bloom longer than most varieties. 50c each; 4 for \$1.80; 10 for \$4.00. Postpaid.

BLUE FLAX—(Linum perenne). Forms a spreading clump of attractive fern-like foliage with a profusion of misty, azure-blue flowers with white eyes. Very hardy. 45c each; 4 for \$1.60; 10 for \$3.50. Postpaid.

PLATYCODON (Balloon Flower)—(See picture on opposite page.) Balloon shaped buds open into beautiful bell-shaped flowers on long stems. Very hardy. We offer the following varieties:

Blue—45c each; 4 for \$1.60; 10 for \$3.50. Postpaid.

Pink—55c each; 4 for \$2.00; 10 for \$4.50. Postpaid.

PYRETHRUM (Painted Daisies)—(Pictured on opposite page.) Bright colored daisy-like flowers on fern-like foliage. Red or mixed colors. 55c each; 4 for \$2.00; 10 for \$4.50. Postpaid.

VINCA MINOR—Best evergreen ground cover for Kansas. Large lilac-blue flowers in early spring. Shiny evergreen foliage. Spreads easily in any good soil. 55c each; 4 for \$2.00; 10 for \$4.50. Postpaid.

WHITE PLANTAINLILY—(Also called Funkia or Hosta Lily). Especially fine for shady places beneath trees and on the north side. It also grows in the sun. Grows 18" tall with large attractive deep green leaves. Flowers are large, pure white, fragrant and resemble Easter Lilies when fully open. Blooms freely in August and September. \$1.35 each; 3 for \$3.90 Postpaid.

BLUE PLANTAINLILY—Hosta caerulea. See picture at the right. Deep to pale blue lily-like flowers on tall spikes. Broad, dark green shiny leaves. A very hardy plant for the shady border or for the north sides of buildings. Grows about 12 to 15 inches. Excellent ground cover for shade or partial shade. Blooms late summer. 55c each; 4 for \$2.00; 10 for \$4.50. Postpaid.

HARDY CHRYSANTHEMUMS

On the front cover and on pages 24, 25, 26 and 27, you will find listed one of the best collections of Hardy Chrysanthemums in this section of the country. All of these varieties, including many of the latest, have been tested and grown right here in

Salina, where our field of many thousands of plants of these gay flowers has attracted lots of attention.

ALL CHRYSANTHEMUM PRICES ARE POSTPAID

AVALANCHE—(Pictured on opposite page). The world's best large creamy white mum. Perfectly formed flowers are often 5 inches across. September flowering. 70c each, 4 for \$2.60; 10 for \$6.00.

YELLOW AVALANCHE—(Pictured to the left). One of the outstanding mums of 1947. A clean soft yellow bud sport of Avalanche. 70c each; 4 for \$2.60; 10 for \$6.00.

AVALANCHE SPECIAL

2 Avalanche
2 Yellow Avalanche

All 4 for \$2.65. Postpaid

EARLY GOLD—(Pictured on opposite page). The flower is a ball of pure golden-yellow with deeper shadings of apricot yellow toward the center. The plant is low, compact and is covered with flowers from late August until frost. One of our best Mums. 70c each; 4 for \$2.60; 10 for \$6.00.

HEATHER BLOOM—(Pictured on opposite page). New large bright rose pink. One of the best. 60c each; 4 for \$2.20; 10 for \$5.00.

MRS. PIERRE S. DuPONT III—(Pictured on opposite page). A lovely blending of peach pink tints and rosy salmon-bronze. Fully double. A magnificent mum. 70c each; 4 for \$2.60; 10 for \$6.00.

CECIL BEED—(Pictured on opposite page). Flowers have a silver sheen in the center shading to deep lavender-rose on the outer petals. Plant is low, compact, about 12". 70c each; 4 for \$2.60; 10 for \$6.00.

KATHLEEN LEHMAN—(Pictured on opposite page). A hardy and prolific Mum of the brightest orange-gold, deepening to red-gold at the center. This is one of the most bronze shades growing. 75c each; 4 for \$2.80; 10 for \$6.50.

PATRICIA LEHMAN—See front cover.

RED GOLD—(Not pictured). This early blooming plant is covered with pompon flowers of a lively combination of red and golden orange. 75c each; 4 for \$2.80; 10 for \$6.50.

QUICK SILVER—(Not pictured). NEW! Mammoth sprays of fluffy 3½ in. blooms, shining creamy white, after swelling pink buds. Almost startling producer, splendid recovery after frosts. Medium height. Late Sept. or early Oct. 95c each; 4 for \$3.50.

NEW MUMS

(not pictured) SPECIAL

These Mums are so new that pictures were not yet available to us when this catalog went to press. Here's your chance to get these new creations at a bargain.

1 DARK KNIGHT 1 QUICK SILVER
1 LADY FAIR 1 CARNIVAL
ALL 4 for \$3.35 . . . 2 of each (8 plants) for \$6.50

SPOON MUMS

YELLOW SPOON—(Pictured below, left). Very fine, bright, clear golden yellow tubes and spoons. 70c each; 4 for \$2.60; 10 for \$6.00.

PINK SPOON—(Pictured below, right). A distinct and entirely different type of hardy mum. The beautiful pink petals are quilled to a spoon shape. Flowers have bright yellow centers and make artistic bouquets. September to frost. Extremely hardy. 60c each; 4 for \$2.20; 10 for \$5.00.

WHITE SPOON—Bright, clear, pure white spoon-like petals producing a misty, charming effect in your garden and bouquets. 65c each; 4 for \$2.40; 10 for \$5.50.

BETTY—(Pictured on page 26). A clean, cheerful Mum of poise, grace and beauty. The most delightful pink with no trace of intruding magentas. Superbly formed 3-inch flowers on hardy, 2-ft. pyramidal plants. 95c each; 4 for \$3.60; 10 for \$8.50.

BURGUNDY—(Not pictured). The most reliable wine-colored Mum . . . a real burgundy-red with deeper tones in the center. Fragrant and outstanding. 70c each; 4 for \$2.60; 10 for \$6.00.

CARNIVAL—(Not pictured). A brilliant new Mum bearing masses of fully double flowers 3½ inches across of glowing burnt-orange that literally gleams. Sturdy, heavily branched plants with lusty, dark green foliage. 90c each; 4 for \$3.40. Postpaid.

CHARLES NYE—(Pictured on opposite page). Large, 3-inch, fully double rounded flowers of rich butter-cup yellow. One of the best. New and destined to become popular. 70c each; 4 for \$2.60; 10 for \$6.00.

CHIPPEWA—(Pictured on opposite page). Large incurved flowers of rich mallow purple, are often over 4 inches in diameter and freely produced on long stems from September until frost. A most outstanding and magnificent variety. 70c each; 4 for \$2.60; 10 for \$6.00.

COURAGEOUS—(Pictured on opposite page). Showy, bright, ruby red, large double flowers often 3½ inches in diameter. One of the most promising new early dark red mums. Frost resistant. 60c each; 4 for \$2.20; 10 for \$5.00.

IVORY GLOW—(Pictured on page 26). New U. S. D. A. introduction. Large creamy white, very double flowers of excellent form. Flowers of disbudded plants are like "hothouse" mums in appearance. 85c each; 4 for \$3.20; 10 for \$7.50.

CHRISTMAS—A dwarf, cushion-type mum barely 9 inches tall. Deep bronze-red flowers completely cover the compact plant in October. Excellent variety for planting boxes or low edging border. 60c each; 4 for \$2.20; 10 for \$5.00.

DARK KNIGHT—(Not pictured). NEW! Large decorative type flower of deep ruby crimson to maroon that hold their color well. Develops large showy clumps. Blooms late September or early October. OUTSTANDING. 95c each; 4 for \$3.50.

LADY FAIR—(Not pictured). NEW! Beautiful 3 inch blossoms of decorative cactus type, temptingly recurved, in entrancing orchid pink perfection. Deep lavender buds open gently to a tousled cactus form. Wonderful to disbud, exquisite in bouquets. 95c each; 4 for \$3.50.

LAVENDER LADY—(Pictured on opposite page). One of our choicest mums. Immense delicate silvery lavender pink flowers borne profusely on long stems. 70c each; 4 for \$2.60; 10 for \$6.00.

LEE POWELL—(Pictured on page 26). One of the outstanding late introductions. Masses of fluffy Chinese yellow flowers with a touch of old gold at the center on a tall, upright bush. Flowers often 4½ inches across. \$1.00 each; 4 for \$3.80. Postpaid.

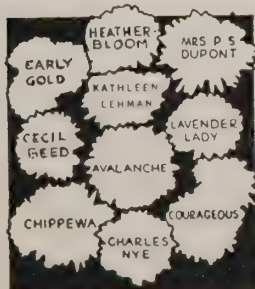

TEN MAGNIFICENT HARDY MUMS

grown in and adapted to the great plains region

We consider these ten varieties pictured above to be among the very best Mums grown today. These extra hardy Mums flower from early September until the real winter weather and will give you hundreds of flowers for cutting. We furnish only strong, potted plants. **Postpaid.**

CUSHION MUMS

Pictured on the opposite page

COMMANDER CUSHION—The best red cushion for this section. Low growing. 75c each; 4 for \$2.80; 10 for \$6.50.

MAJOR CUSHION—A low growing deep lavender or pink cushion mum. 75c each; 4 for \$2.80; 10 for \$6.50.

POWDER PUFF—White with shaded pink at the center. 75c each; 4 for \$2.80; 10 for \$6.50.

YELLOW CUSHION—An exquisite light yellow cushion mum. 75c each; 4 for \$2.80; 10 for \$6.50.

ONE EACH OF THE 4
CUSHION MUMS.....\$2.85 POST PAID

OLIVE LONGLAND—(Pictured on opposite page). Star performance year after year has proved this variety to be one of the best. A showy symphony of soft apricot-bronze and salmon pink. Quantity of large flowers from late Sept. until frost on 2 ft. plants. 70c each; 4 for \$2.60; 10 for \$6.00.

FIESTA—A fine new introduction. An unusual blending of orange and copper in color. Grows about 2 feet and blooms in late September. 95c each; 4 for \$3.60; 10 for \$8.50.

JEWELL—(Pictured to the right). Sparkling, bright pink button mum. The brilliant pompons completely cover the low, compact plant. Excellent variety for pots or planting boxes. 60c each; 4 for \$2.20; 10 for \$5.00.

MARGIE—(Pictured on opposite page). New U. S. D. A. introduction. Flowers are a rich dark red with a slight gold reflex toward the center. About the same shape as **IVORY GLOW** except smaller, about 1½ to 2 inches across. September until frost. Very good. 75c each; 4 for \$2.80; 10 for \$6.50.

MASQUERADE—(Pictured on opposite page). A new mum. A glistening mass of silvery lavender and rose pompons. Neat compact flowers completely cover the plant. 95c each; 4 for \$3.60; 10 for \$8.50.

OSTOSA—(Pictured to the right). One of the most profuse flowering and finest pure white pompons we have grown. Medium height. 60c each; 4 for \$2.20; 10 for \$5.00.

POHATCONG—(Pictured on opposite page). Lovely, large double, rich lavender-pink flowers in great profusion from September until frost. Very hardy. 70c each; 4 for \$2.60; 10 for \$6.00.

W. P. SNYDER—(Pictured on opposite page). We consider this the best of the new introductions. Fully double flowers 2 to 2½ inches across are borne in clusters on long stems ideal for cutting. Color shades from a rich golden yellow in the center through apricot to almost pink on the outside. Fully double. Long season from early September to hard freezes. 75c each; 4 for \$2.80; 10 for \$6.50.

WHITE MASQUERADE—White button pompon with small sulpher-yellow center. Good lasting cut-flower. 70c each; 4 for \$2.60; 10 for \$6.00.

REMEMBRANCE—A wonderful deep carmine-ruby color that is retained throughout the life of the flower. One of the very best of all the red varieties. Quite frost hardy. 75c each; 4 for \$2.80; 10 for \$6.50.

SPECIAL MUMS

FEATURED ON FRONT COVER

PURPLE WATERS—The best early deep purple in our supply. Completely double, 3 inch flowers entirely smother the 2 foot plant. 75c each; 4 for \$2.80; 10 for \$6.50.

MONTEREY—One of the best of the late introductions. Large, brilliant, orange-bronze flowers with semi-incurved petals. When disbudded, flowers will be 4 to 5 inches in diameter. A real beauty. Late Sept. to early Oct. Tall. \$1.00 each; 4 for \$3.60.

PATRICIA LEHMAN—The most subtle and sparkling geranium-pink with a peach-colored center. Recurved and twisted petals give a fluffy, feathery effect. Strong growth, good for cut flowers. 75c each; 4 for \$2.80; 10 for \$6.50.

SPECIAL—2 each of the 3 FRONT COVER MUMS—6 plants in all—\$4.50.

HARDY LILIES for summer beauty.

PHILLIPINE LILY—A September blooming lily. It has strong graceful stems that support three to five beautiful blossoms. Delightfully fragrant, these lilies are a soft white with delicate yellow shadings toward the throat. Should be planted 5 to 6 inches deep in full sun or partial shade. **POSTPAID.** Blooming size bulbs: 85c each; 3 for \$2.10; 10 for \$6.00.

REGAL LILY—This exquisite lily is pearly white, pink-tinged and with a golden throat. Very hardy and easy to grow. Blooms in June and July on stems about 3 feet tall. Requires no special soil or care and will bloom the first season. **POSTPAID.** Large bulbs 75c each; 3 for \$1.80; 10 for \$5.00.

Mid-Century Special

3 Mid-Century Hybrid Lilies
3 Regal Lilies
3 Phillipine Lilies
All 9 Bulbs for \$5.75. Postpaid.

MID - CENTURY HYBRID LILIES—An outstanding hybrid Lily. Very hardy, they grow and thrive everywhere even under adverse conditions. A superb range of colors in shades of yellow from canary to gold, apricot, pinks, rose, salmon and many shades of red. The blooms come in clusters on strong stems 3 to 4 feet tall. They come up year after year, always increasing in beauty. Excellent for cutting. Topsize bulbs, **POSTPAID.** 85c each; 3 for \$2.10; 10 for \$6.00

SURPRISE LILY—Hardy *Amaryllis* (*Lycoris squamigera*)—Also called Magic Lily. This marvelous bulb grows attractive green foliage in the early summer, which then dies and disappears. Then, as if by magic, in midsummer the flower stalk shoots up to 2 or 3 feet tall, bearing large lilac-pink, Lily-like flowers. Often blooms with 8 to 12 blossoms to a stem. Flowers are excellent for cutting. Plant 4 to 5 inches deep. Perfectly hardy. **POSTPAID.** Large No. 1 Flowering Bulbs 50c each; 3 for \$1.35; 10 for \$3.75.

3 Mid-Century Hybrid Lilies - 3 Surprise Lilies
Collection of 6 Lilies \$3.25 Postpaid

TIGER LILY—This bold beauty has long been America's favorite garden lily because of its robust habit of growth and ease of culture. Large shapely flowers are a rich dark salmon-orange spotted with glossy black. Blooms in late summer. **POSTPAID.** Large, blooming size bulbs 55c each; 3 for \$1.50; 10 for \$4.50.

FOR SPECTACULAR MASSES OF COLOR ALL SEASON LONG, PLANT— **LARGE FLOWERING dwarf CANNAS** New Low Postpaid Prices:
30c each; 5 for \$1.25;
10 for \$2.25; 25 for \$5.25;
50 for \$9.00.

We offer the following six choice varieties:

CITY OF PORTLAND—(See picture in color on page 18). The leading pink Canna. Large flowers of rich watermelon pink. Green foliage. Grows 3 to 4 ft. high.

PRESIDENT—(See picture in color on page 18). The leading red variety. Extra large trusses of brilliant glowing scarlet. Green foliage. Grows 3 to 4 feet high.

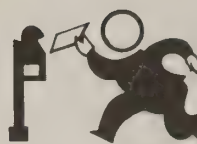

RICHARD WALLACE—(See picture in color on page 18). Large bright canary yellow flowers. Green foliage. Grows 3 to 4 ft. high.

WYOMING GOLD—(See picture in color on page 18). True orchid-flowering variety bearing extra large orange-colored flowers. Distinctive purple foliage. Grows 3 to 4 ft. high.

RED KING HUMBERT—(not pictured). Large velvety orange-scarlet flowers and purple-bronze foliage. This variety grows taller than those listed above, so should be placed to the back of the others or in the middle of circular beds.

YELLOW KING HUMBERT—(not pictured). Large flowers of golden yellow, heavily over-layed and flecked with red. Green foliage. Grows about 4 ft. high.

HARDY VINES and Ground Covers

order by mail

BITTERSWEET—In the fall, this vine bears clusters of red berries, very valuable for winter bouquets. We recommend the planting of two plants for cross pollination to insure fruiting. Postpaid, 95c each; 3 for \$2.70. Container-grown plants, not prepaid, \$1.50 each.

CLEMATIS, CRIMSON STAR—(See picture to the right). A recent addition to a group of large-flowering Clematis. Very large flowers of velvety crimson. Very showy and striking. Strong plants, sure to grow. Postpaid, \$1.90 each; 3 for \$5.40.

CLEMATIS JACKMANI—(See picture at the right.) Produces gorgeous flowers of royal purple 4 to 6 inches across. Blooms nearly all summer. Strong plants, sure to grow. Postpaid, \$1.70 each; 3 for \$4.95.

CLEMATIS CRIMSON STAR

CLEMATIS JACKMANI

WISTARIA, GIANT PURPLE
BELOW: BOSTON IVY

CLEMATIS PANICULATA—(See picture at left.) If you want a good vigorous vine that will really form a solid screen or background, either in the shade or sun, then you should plant Clematis paniculata, sometimes called SWEET AUTUMN CLEMATIS. As the picture shows, it is literally covered in late summer and autumn with small white, very fragrant flowers. Postpaid, \$1.25 each; 3 for \$3.60.

EUONYMUS FORTUNEI COLORATUS—See broad-leaved evergreens, page 16.

BOSTON IVY—(Pictured to the right.) Fine foliage, clings closely to any wall. Prefers partial shade. Postpaid, \$1.10 each; 3 for \$3.15; 10 for \$10.00.—Container-grown plants, not prepaid, \$1.60 each.

ENGLISH IVY—(Hedera Helix Baltica)—A hardier variety of the charming English Ivy. Good rambling ground cover in shade, or as a climbing vine on stone or bricks for north side. Postpaid, 55c each; 3 for \$1.50; 10 for \$4.50.

ENGELMANN'S IVY—Popular five-leaved Ivy that grows rapidly in sun or shade, and clings to rough brick or stone. Postpaid, \$1.00 each; 3 for \$2.70. Container-grown plants, not prepaid, \$1.50 each.

SILVER LACE VINE—The fastest growing vine that will give you both shade and flowers the first summer. It often grows 10 to 20 feet the very first season. Blooms with masses of small white flowers from mid-summer to late fall. Ideal for porches, lattices or fences. Postpaid, \$1.25 each; 3 for 3.60.

WISTARIA, GIANT PURPLE—(See picture at the right.) Lilac-purple flowers in June and July. Very hardy and easy to grow. One of the best vines for the arbor or large trellis. Postpaid, \$1.00 each 3 for \$2.70.

GOLDFLAME HONEYSUCKLE—(See picture at the left). Also called "Summer King" and "Everblooming Honeysuckle." Usually covered with flowers from May until freezing weather. Flowers are flame-scarlet on the outside and golden yellow on the inside. Use for the trellis, fence, porch, etc. Easy to grow and hardy. Postpaid, \$1.10 each; 3 for \$3.15; 10 for \$10.00. Container grown plants, not prepaid, \$1.60 each.

HALL'S PURPLE LEAF HONEYSUCKLE

(See picture at left)

The leaves and stems have a purplish cast all summer long, becoming more pronounced in the fall. Retains its leaves almost all winter. Hardier and more vigorous than older varieties. Excellent for a ground cover as well as a climbing vine, especially in the shade. Produces an abundance of lovely white and yellow fragrant flowers. Postpaid, \$1.10 each; 3 for \$3.15; 10 for \$10.00. Container-grown plants, not prepaid, \$1.60 each. Vigorous small plants in 2 inch PEAT POTS (plant pot and all). Ideal for ground cover. 50c each; 5 for \$2.25; 10 or more at 40c each, not prepaid. Mail orders: add 15c per plant for postage and packing.

IVORY FASHION

1959 All America Award Winner

(Pictured above). Pat. No. 1688. Buds resemble those of a Hybrid Tea Rose and the high centered flower is almost 4 inches wide when open. The ivory color is set off by a suggestion of yellow in the bud stage and the petals hold well after opening. The plant grows about 30 inches high. Bloom period is unusually long. POSTPAID: \$2.75 each; 3 for \$7.20.

THE TEXAN

Patent No. 1471. (Pictured below). Red as a prairie fire . . . tall as a ten gallon hat . . . softly scented as a southern belle. This red, red rose is a cross between Peace and Improved LaFayette. Big red Roses in large clusters make the TEXAN a whopping beauty in the garden. POSTPAID: \$2.50 each; 3 for \$6.60.

the new EVERBLOOMING FLORIBUNDA ROSES

FLORIBUNDA ROSES are hardy, disease-resistant, long-lived and need very little care. The flowers come in clusters and are always in bloom from Spring until freezing weather; even the early frosts do not stop them. Plant them in solid beds, masses or in groups in front of shrubs and evergreens. They make excellent hedges and are fine for cutting. Plant them in the foundation planting for color accent or under picture windows. Should be planted 18 to 24 inches apart.

ALL 9 ROSES FOR \$16.25
regular \$18.40 value postpaid

CIRCUS—Pictured on opposite page. Patent No. 1382. AARS winner for 1956. The predominate color is yellow with tight buds richly marked with red. As the buds unfold, they offer an ever-changing succession of delightful shades of yellow, orange, buff, pink and red. Stems are straight and sturdy, fine for cutting. POSTPAID: \$2.50 each; 3 for \$6.60.

FASHION—(Patent No. 789). Picture on opposite page. AARS winner in 1950. This new and uniquely colored Floribunda is a blending of coral and gold, quite different than any other color in Roses. The little buds of Fashion open out into semi-double blooms which retain their delightful color. The attractive 2½ to 3 foot plant is in bloom almost all the time. A popular favorite everywhere. POSTPAID: Each, \$2.00; 3 for \$5.25.

All America Floribunda Winners for 1960

FIRE KING—Pictured on Front Cover. Patent No. 1758. Iridescent vermillion—solidly brilliant. Long lasting fully double flowers of perfect form, open slowly from blood-red, pointed buds. Upright vigorous plant with a quantity of dark rich green foliage. POSTPAID: \$2.50 each; 3 for \$6.60.

SARABANDE—Pictured on page 32. Patent No. 1761. Brilliant oriental red—a bright iridescent orange-red; accented with bright yellow stamens. Large open semi-double flowers in cluster, cover the plant and keep coming. Low, sturdy spreading plant. POSTPAID: \$2.50 each; 3 for \$6.60.

SPECIAL—1 each of the two for \$4.75 POSTPAID.

JIMINY CRICKET —Pictured on opposite page. Patent No. 1346. AARS Winner for 1955. A new Floribunda featuring tangerine-red buds, opening to coral-orange. Vigorous, upright growth and prolific blooming habit make it ideal for hedges, color masses and border edges. Cut flowers hold well for indoors. \$2.00 each; 3 for \$5.25. POSTPAID.

the famous PINOCCHIO ROSES

PINOCCHIO—(Pictured on opposite page). The rose is literally covered throughout the season with immense clusters of perfect baby roses in the brightest cheeriest, yet daintiest shades of salmon flushed with gold. It is ideal to plant in shrub borders and evergreen plantings, and particularly effective in continuous summer and fall color after the flowering shrubs are done. Extremely hardy and always in bloom with many gay and colorful flowers on every bush. POSTPAID: Each, \$1.40; 3 for \$3.90.

RED PINOCCHIO—(Patent No. 812). (Pictured on opposite page). The buds of this delightful little floribunda are a deep, satiny carmine on the outside—and a bright carmine on the inside. As the flower matures, it gives a velvety cast to the lovely cup-shaped bloom. The bushy, upright plant is vigorous and extremely hardy. POSTPAID: Each, \$1.75; 3 for \$4.65.

YELLOW PINOCCHIO—(Patent No. 992). (Pictured on opposite page). The newest member of the Pinocchio family. Great masses of blossoms in an apricot-yellow color on a sturdy bush about 2½ feet tall. When at the peak of bloom, it is a rounded mound of yellow. POSTPAID: \$1.50 each; 3 for \$3.90.

NEW FLORIBUNDA ROSES (continued from page 30)

GOLD CUP—Pictured opposite page, (Pat. 1683). AARS Winner 1958. Lovely golden-yellow that holds its color throughout the life of the flower. The pure yellow of the blossoms contrast beautifully with the very ornamental glossy foliage. Since yellow floribundas are quite rare, this one, with its lovely fragrance, will be a welcome addition to your garden. **POSTPAID.** \$2.50 each; 3 for \$6.60.

VOGUE—(Patent No. 926). (Pictured on opposite page). A new Floribunda with its own unique, brilliantly glowing cherry-coral color. The individual flowers, 3 to 4 inches in diameter, are Hybrid Tea shaped, with perfect, high-centered form. They open slowly from a dark cherry, ovoid bud to the delightful cherry-coral open flowers with a rich fragrance. AARS award winner for 1952. **POSTPAID:** Each, \$2.00; 3 for \$5.25.

Old favorite **EVERBLOOMING FLORIBUNDA ROSES**

PRICES: (on these six varieties only) \$1.40 each; 5 for \$6.50; 10 for \$12.00.

EUTIN—Large clusters, often 50 or more flowers, of double, deep red flowers. Healthy, hardy, vigorous and free-blooming. About 24 inches tall.

FLORADORA—(Pictured on opposite page). Brilliant cinnabar red blooms, touched with scarlet and geranium. Very hardy and prolific. In bloom from early June until frost.

IMPROVED LAFAYETTE—(Pictured on opposite page). One of the hardiest and best bedding and border Roses. Produces large clusters of bright cherry-crimson flowers in great abundance. It is constantly in bloom from early spring until freezing weather. Semi-double, very fragrant and grows about 27 inches tall.

ROSENELFE—Graceful clusters of dainty, LaFrance pink flowers. Color holds well in the hottest sun. A fine grower with excellent foliage.

SUMMER SNOW—Once a patented variety.—The most prolific of white floribundas, with great "drifts" of beautiful large clusters like mounds of snow. The remarkable profusion of heavy flower clusters covers the plant during late June, July, August and September. Summer Snow Floribunda Roses are used to accent and blend other colors in the perennial and shrub border. Excellent for mass plantings. Sweet, elusive fragrance. Light green attractive foliage.

WORLD'S FAIR—(Opposite page). The patent expired last year. This beauty was the first rose to win the All-America Award. Buds are small in comparison with the finished flowers. The very large petals are cherry red as the flower opens. The double flowers pass through several darker shades to deep red velvet, giving interesting and intriguing variations in the same cluster. The vigorous plant is exceptionally hardy.

Everblooming **POLYANTHA** or **BABY ROSES**

GOLDEN SALMON—Produces large clusters of salmon orange flowers all summer long. Nice, bushy, well shaped plants grow 18 to 24 inches high. Extremely hardy. Excellent for cemetery planting. **POSTPAID.** \$1.40 each; 5 for \$6.50; 10 for \$12.00.

GARNETTE—(Pictured on opposite page). An unusual variety producing petite red sweetheart roses. It has been displayed at flower shows all over the nation and is widely used by florists. Anyone who has received a corsage of petite red roses undoubtedly has worn garnette. The petite flowers, about 2 inches across, are a deep garnet-red and are borne in clusters of 15 to 20. The plant grows only about 18" high and carries an abundance of vigorous crinkled holly-like foliage. Ideal to border the rose garden, to plant along a walk or in a sunny planter box. **POSTPAID.** \$1.50 each; 5 for \$6.75; 10 for \$12.50

POTTED ROSES

**BLOOMING PLANTS IN SPECIAL REMOVABLE CONTAINERS
CAN BE PLANTED ANY TIME . . . WITHOUT SETBACK OR LOSS**

If it is impossible for you to plant your roses during the spring planting season, when the plants are dormant, you need not despair. **YOU CAN PLANT THESE POTTED ROSES ANY TIME DURING THE SUMMER AND FALL.**

Early in the spring, at the proper time, we plant, in these special removable containers, in **SPECIALLY PREPARED SOIL**, a large number of roses (some of every variety we list here in our catalog. Late in May, when it begins to get too late to plant dormant roses, these fine plants are in bloom and are ready for sale. It is much to your advantage to drive to our nursery, pick out your plants first hand and take them away in your car. If you are not able to do this, we crate and ship them to you by way of express or truck freight, charges collect. Each pot and rose weigh about 12 pounds, so 5 or 6 roses will travel cheaply as one. Not prepaid.

PRICES: The **EACH** price for each variety, plus 50 cents each for potting (Thus a potted plant of Peace would sell for \$3.00 each; a potted plant Vogue would sell for \$2.50, etc.).

Kansas Landscape & Nursery Company's

New **EVERBLOOMING ROSES**

All America Rose Selections.

This is a non-profit committee, nationally and internationally recognized as the most important rose testing organization. Each year, AARS scientifically tests and selects the best of each year's rose introductions for national awards. All rose entries are planted in 18 test gardens distributed throughout America. Competent judges score the entries over a period of two years, and at the end of the two year period, the top scoring entry is given the All-America Award. You can be certain that any AARS winner is one of AMERICA'S FINEST ROSES.

The Patented Hybrid Tea Roses listed below are supplied in heavy grade only.

CHRYSLER IMPERIAL—(P. P. 1167). (Pictured on page 36).

AARS winner for 1953. Its iridescent color is unmatched by any other red Rose. Vivid, rich crimson with darker overtones of glowing oxblood red. Long, tapering buds opening to large flowers borne on strong stems. Abundant and semi-glossy foliage makes this an excellent garden shrub. Postpaid; Each, \$2.50; 3 for \$6.60.

GARDEN PARTY—(Pictured on Front Cover). Plant Patent

No. 1814. A picture pretty rose with ivory petals blending into creamy tones and delicately tipped at the outer edges with apple blossom pink. A huge flower with long buds and marvelous form. Postpaid: \$3.50 each; 3 for \$9.30.

GOLDEN MASTERPIECE—(Pictured on opposite page). Pat.

No. 1284. A new rose. Truly a masterpiece with enormous, fragrant, high-centered, golden yellow flowers. Disease-resistant, glossy foliage on a strong plant. \$3.00 each; 3 for \$7.95. Postpaid.

KORDES PERFECTA—Plant Pat. No. 1604. (Pictured on page

36). The new descendant of the famous Peace Rose. The bud begins to show color as the petals separate, and the color is constantly changing. The basic color is cream-white, lined with pink and the edges of the petals appear to be dipped in carmine. The mature flower is a full 4½-5 inches, long-lasting and is a brilliant suffusion of pink, white and subtle yellow. Very fragrant, strong growing. Postpaid. \$3.50 each; 3 for \$9.30.

MOJAVE—(P. P. 1176). (Pictured opposite page). AARS winner

for 1954. The color is a glowing, radiant apricot-orange, highlighted with other warm tints of nasturtium-red, scarlet and vermilion. Every long bud and perfect bloom is borne on a long, straight single stem. The plant is upright and vigorous with handsome foliage. Postpaid: Each, \$2.75; 3 for \$7.20.

NEW YORKER—(P. P. 823). (Pictured opposite page). The real

red, red Rose! Brilliant red color that does not fade or blue in hot weather. Plant is sturdy and vigorous. The buds open slowly into very large flowers of scarlet with rosy-red undertones, overlaid with rich velvety sheen. Postpaid: Each, \$2.50; 3 for \$6.60.

PEACE—(P. P. 591). (Pictured opposite page). The best Rose

ever created. AARS winner for 1946. The perfect buds open slowly into large, fragrant, fully double flowers. Its greatest charm is the changing panorama of colors. The buds are rich gold, edged with bright pink. As the outer petals unfold, the gold changes to canary then lightens to creamy ivory. The pink edge gradually deepens and becomes broader so the fully open flower appears sparkling pink with a creamy-yellow base. Last unusually long at all stages. Vigorous, healthy, free-blooming bush. Postpaid: Each, \$2.75; 3 for \$6.60.

TIFFANY—(Opposite page). (Patent No. 1304). AARS winner

for 1955. A new Hybrid Tea Rose of beautiful Phlox-pink; double, high-centered blooms. Long, pointed buds are deep pink with golden yellow shadings at the base. Flowers are borne singly on long stems. Outstanding fragrance. \$2.75 Each; 3 for 7.20. Postpaid.

WHITE KNIGHT—(Pictured below). (Patent No. 1359). 1958

AARS winner. The first white hybrid tea rose ever awarded the coveted AARS honor. Truly spectacular white hybrid tea rose with superb form of both the bush and the flower. The satiny-white blossoms hold their purity color on long stems ideal for cutting. The 35 petals roll loosely outward achieving a stunning effect in the open flower. \$3.00 Each; 3 for \$7.95. POSTPAID.

New GRANDIFLORA ROSES

WHAT ARE GRANDIFLORA ROSES? The Grandiflora Roses are an exciting new class of Roses combining the finest qualities of the Hybrid Teas and the Floribundas. Grandiflora Roses have the abundant bloom of the Floribundas along with the beautiful bud form, longer lasting, larger flowers and superb cutting stems of the Hybrid Teas.

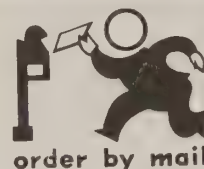

BUCCANEER—(Pictured on opposite page). Pat. No. 1119. Brilliant flowers of non-fading, lasting, clear yellow. Strong growing plant and a very profuse bloomer. An excellent variety for our area. Postpaid. \$2.50 each; 3 for \$6.60.

MONTEZUMA—(Pictured on opposite page). Pat. No. 1383. The bright orange-scarlet of its fresh buds changes to salmon-orange in the fully open flower. The sleek buds are borne in profusion. Hardly a day goes by in the growing season that this rose is not in bloom. The plant is a compact grower with leathery, semi-glossy foliage. Postpaid. \$2.75 each; 3 for \$7.20.

QUEEN ELIZABETH—(Pictured on opposite page). Pat. No. 1259. AARS winner for 1955. Blooms are pure pink and are accented by glossy, deep green foliage. Flowers are borne on long, almost thornless stems which are ideal for cutting. Blooms are carried both singly and in clusters. \$2.50 each; 3 for \$6.60. Postpaid.

STARFIRE-AARS Winner for 59

(Pictured on Page 31). This excellent new rose produces bright cherry-red, high-centered blooms, both singly and in clusters. Its blossoms are distinctive, fluorescent, non-fading and excellent for cutting. Its growth is compact, and its luxuriant bronze foliage sets off its blossoms in a beautiful manner. Postpaid. \$3.00 each; 3 for \$7.95.

ON BACK COVER - PAGE 56

CHARLOTTE ARMSTRONG—Long slender streamlined blood-red buds open to a spectrum-red in cool weather, cerise in hot weather. Wavy-petaled high-centered blooms of incomparable form. Tall vigorous plant.

CRIMSON GLORY—Once a patented Rose and still one of the best. Large oval buds are followed-by well-formed flowers of intense deep crimson shaded oxblood red and mellowed by a soft velvet nap. See Climbing Crimson Glory, pages 38 & 39.

ECLIPSE—A recent patented Rose. Long, pointed, deep gold bud is followed by beautiful clear yellow flowers on long strong stems. Vigorous and healthy plant.

KAISERIN AUGUSTE VIKTORIA—For over forty years this has been considered the best White Rose. Long pointed buds, exquisitely formed flowers. Always in bloom and very fragrant.

PICTURE—A clear pink with a trace of salmon to give it a warm glow. Delightfully fragrant. The blooms are perfect in bud and when open. Very vigorous and blooms all the time. Considered one of the finest Pink Roses.

Hardy CLIMBING ROSES

Hardly anything can equal Climbing Roses in full bloom for mass display of color. They are ideal for porches, arbors, trellises and trailing over fences. All climbers are very hardy in our Great Plains Region, but we recommend winter protection in the northern states. Climbing Roses should be set 3 to 6 feet apart for mass display. We advise the use of Ra-Pid-Gro Liquid Fertilizer (page 47) when planting and every 2 to 3 weeks during the months of June, July and August. Prices are postpaid.

AMERICAN BEAUTY—(Pictured on opposite page). This is one of the old-time favorite climbing roses. The vine is very hardy, a vigorous grower, and free blooming. The extra large blooms are a lovely deep pink in color, resembling Tea Roses in shape and size. **POSTPAID: Heavy Grade—Each, \$1.55; 3 for \$4.35.**

BLAZE, IMPROVED—The new, improved variety of the brilliant double red climber so popular throughout the country. You'll be thrilled with the generous display of bloom in June and also with the later flowers as the plant becomes well established and the everblooming characteristics begin to show. Enjoy great clusters of 2 to 3-inch scarlet flowers on your porch, fence, pergola, or trellis. **POSTPAID: Heavy Grade—Each, \$1.80; 3 for \$5.10.**

DR. J. H. NICOLAS—(Pictured on the opposite page). Magnificently large, very double, exquisitely fragrant beautiful rose-pink flowers like Hybrid Teas. In most sections it will bloom all summer if kept growing. Very attractive rich dark-green foliage. Ideal for pillars, on pergolas, lattices or fences. Soon after the first flowers fade, new shoots appear and the bloom is repeated again and again. Blooms reach 5 to 6 inches across and are borne singly on the stems. **POSTPAID: Heavy Grade—\$1.80 each; 3 for \$5.10.**

GOLDEN SHOWERS—Pat. # 1557. Pictured on opposite page. A brand new and outstanding climbing rose. It was remarkable enough to have won America's top honor for 1957, the first climbing rose to receive this distinction in 16 years! There is no other climber like it; none combines so many fine qualities in one rose. Beautiful, exquisitely formed, daffodil-yellow flowers come in impressive abundance. Each flower is from 4 to 5 inches across. Long-pointed, deep flowers that are excellent for cutting. The very vigorous and hardy plant will grow 6 to 8 feet in one season! It has almost thornless branches with large, leathery, glossy, disease-resistant foliage. A completely sensational winter-hardy Pillar or Climbing Rose. **POSTPAID: heavy grade plants. \$2.75 each; 3 for \$7.20.**

CLIMBING CRIMSON GLORY—(P. P. 736). Pictured on opposite page. Here is the climbing form of the beautiful Hybrid Tea Rose, Crimson Glory. It has exactly the same marvelous deep crimson flowers and the same rich fragrance. A perfect pillar rose. Blooms all through the season and **WILL BLOOM THIS SUMMER AND FALL.** Should be given winter protection in the northern states. **Postpaid: Heavy Grade—Each, \$2.50; 3 for \$6.60.**

CLIMBING PEACE—(Pictured on opposite page). Pat. No. 932. Here is a very remarkable climbing rose, because it is the climbing counterpart of the world's most famous tea rose, Peace. Huge, fat, well-formed, golden yellow flowers with the loveliest of pink-edged petals! The plant, too, is Peace-like in its rugged strength and tremendous vigor. It has long, pliant, fast-growing canes and usually repeats blooming all summer long. You can imagine Peace growing as a climbing rose, so you can get an idea of the real quality and beauty of this outstanding rose. The longer the plant lives, the more blossoms it delivers, and it is a long-lived plant. **Postpaid. \$2.25 each; 3 for \$6.00.**

WHITE DAWN—(Pictured above). The fairest white climber! White Dawn puts forth myriads of large clusters of pure white blooms, covering the plant like mountain clusters of snow. **Postpaid: Heavy Grade—Each, \$1.80; 3 for \$5.10.**

PAUL'S SCARLET—(Pictured on opposite page). The flowers are intense vivid scarlet, semi-double, and are freely produced in clusters of from 3 to 20 blooms on long, well-balanced canes, the plant being a mass of flaming color from top to bottom. Their flowers do not fade but maintain their brilliant color until the last petal drops. Very hardy. **Postpaid: Heavy Grade—Each, \$1.55; 3 for \$4.35.**

SHADE AND ORNAMENTAL TREES

Green Ash (Pictured on page 40)

A sturdy, strong and very hardy shade tree. The Green Ash is a very rapid-growing shade tree, even in hot, dry areas. Exceedingly hardy and drought-resistant, this fine tree deserves to be planted more than it is. See page 44 for seedlings. Not prepaid.

Sizes	Each	Per 2	Per 4
4 to 5 ft.	\$2.00	\$3.80	\$ 7.00
5 to 6 ft.	2.25	4.30	8.00
6 to 8 ft.	3.00	5.80	11.00
8 to 10 ft.	3.95	7.70	14.80
1 1/4 to 1 1/2 in. trunk diam.	4.25	8.20	16.00

Bald Cypress

This is an evergreen that actually sheds its leaves. It is the same tree that grows in the southern swamps, however, it is perfectly hardy in the great plains region. Its foliage is delicate and feathery and is a soft, bright, light green, turning a brilliant orange-brown before falling for the winter. Makes an excellent tree since it does not compete with grass for shallow nutrients and water. Rarely affected by insects and diseases. Container grown specimens, not prepaid.

Sizes	Each	Per 2	Per 4
2 to 3 ft.	\$3.75	\$7.30	\$14.00
3 to 4 ft.	4.75	9.30	18.00

Chinaberry

—Texas Umbrella Tree. A rapid-growing tree producing a dense, round head with lots of shade. Blossoms are lilac, borne in clusters, followed by yellow fruits. Not recommended for northern area. Chinaberry should be planted in a protected place, since hot winds will destroy the symmetry. Not prepaid.

Sizes	Each	Per 2	Per 4
2 to 3 ft. postpaid	\$1.50	\$ 2.80	\$ 5.00
3 to 4 ft. postpaid	1.85	3.50	6.50
4 to 5 ft. not prepaid	2.00	3.80	7.20
5 to 6 ft. not prepaid	2.50	4.80	9.20

Kentucky Coffeetree

A very hardy and long-lived tree resembling a walnut in growth. It is very well adapted to this area. Light, blue-green fern-like foliage. Branching habit is very picturesque in the winter. Bears white flowers in June.

Sizes	Each	Per 2	Per 4
2 to 3 ft. postpaid	\$2.75	\$ 5.00	\$ 9.00
3 to 4 ft. postpaid	3.75	7.00	13.00
4 to 5 ft. not prepaid	4.60	9.00	17.40
5 to 6 ft. not prepaid	6.10	12.00	23.40

Lydick Cottonless Cottonwood

LYDICK COTTONLESS COTTONWOOD—The best Cottonless Cottonwood grown today. Lumber from this tree will never rot or warp, even without painting. Also makes a good, long-lived shade tree, more resistant to wind damage than the regular Cottonwood. Not prepaid.

Sizes	Each	Per 2	Per 4
4 to 5 ft.	\$1.75	\$3.30	\$ 6.00
5 to 6 ft.	2.25	4.30	8.00
6 to 8 ft.	2.75	5.30	10.00

CHINABERRY & MIMOSA SPECIAL

(Mimosa pictured on opposite page)

1 Chinaberry and 1 Mimosa 2 to 3 ft. the 2 trees for \$2.25 postpaid. 2 of each (4 trees) 2 to 3 ft. for \$4.00 postpaid.

Cottonwood

The official state tree of Kansas. Because this tree is so fast growing, hardy, drought-resistant and rugged, it was planted by the pioneers and early settlers in Kansas. It played an important role in Kansas History. It still deserves to be planted more than it is. It is not affected by freezes. It is also valuable for windbreaks and the farm wood-lot. It will grow into valuable lumber in a short time. Not Prepaid.

Sizes	Each	Per 2	Per 4
4 to 5 ft.	\$1.30	\$2.40	\$4.20
5 to 6 ft.	1.60	3.00	5.40
6 to 8 ft.	1.90	3.60	6.80
8 to 10 ft.	3.00	5.50	10.00

THE PLAINS COTTONWOOD

Hardy Flowering Crabs

PRICES:	Size	Each	Per 2	Per 4
Not	4 to 5 ft.	\$2.85	\$5.60	\$10.80
Prepaid	5 to 6 ft.	3.75	7.40	14.40
	6 to 8 ft.	4.25	8.40	16.00

ALMEY—Large blossoms of glistening red petals with white markings, giving the effect of a star. Not prepaid. Sizes Available: 4 to 5 ft.; 5 to 6 ft..

HOPA—See picture on page 40. Red buds opening to a bright pink blossom. Our hardiest and most popular variety. Not prepaid. Sizes available: 5 to 6 ft.; 6 to 8 ft.

PURPLE—A top landscape variety distinguished by reddish foliage, free blooming habit and purplish-red blooms. Not prepaid. Sizes available: 4 to 5 ft.; 5 to 6 ft.; 6 to 8 ft.

American Elm

We like to think of this tree as typically "American." Stately, upright growing, yet spreading, hardy and long-lived. While it is not fast growing, if given good care, it will develop into a large tree in just a few years. It is native of Kansas and deserves to be planted more than it is. The American Elm is valuable for street, yard, park, farm and wood-lot planting. Not affected by freezes. Not Prepaid.

Sizes	Each	Per 2	Per 4
5 to 6 ft.	\$1.95	\$ 3.70	\$ 6.80
6 to 8 ft.	2.75	5.30	10.00
8 to 10 ft.	3.55	6.90	13.20

Chinese Elm

Because of its beauty, its extremely rapid growth, its resistance to disease and insects as well as heat and drought, the Chinese Elm has become popular. Under ordinary conditions, it grows 5 feet a year; in just a few years it becomes an excellent shade tree. It is valuable for those parts of our country where most other trees will not thrive where it is hot, dry or in alkali soil. (See page 44 for seedlings). Not prepaid.

Sizes	Each	Per 2	Per 4
4 to 5 ft.	\$1.15	\$ 2.10	\$ 3.60
5 to 6 ft.	1.60	3.00	5.40
6 to 8 ft.	2.35	4.50	8.40

1 1/2 to 1 3/4 in. trunk diameter	5.00	9.80	19.00
1 3/4 to 2 in. trunk diameter	5.35	10.40	20.40

Ginkgo

—Maidenhair Tree. A very hardy tree that will grow anywhere. Botanically, this tree is more primitive than the conifers. Leaves are fan-shaped, the bark is ashen-gray and it grows with a single trunk to about 40 feet. This picturesque tree creates a very oriental feeling to the landscape. Not prepaid.

Sizes	Each	Per 2	Per 4
1 1/2 to 2 ft. container-grown trees	\$3.00	\$5.80	\$11.00

SHADE AND ORNAMENTAL TREES

English Elm

This is a tall, oval-headed, compact tree with leaves smaller than those of the American Elm, and stay on much later in the fall. Its upright growth habit and resistance to the usual Elm diseases and insects, make it an ideal street or yard tree. It is faster growing than the American Elm. Not prepaid.

Sizes	Each	Per 2	Per 4
5 to 6 ft.	3.10	6.00	11.40
6 to 8 ft.	4.60	9.00	17.50
8 to 10 ft.	5.75	11.20	22.00
1 1/4 to 1 1/2 in. trunk diameter	6.50	12.80	25.00
1 1/2 to 1 3/4 in. trunk diameter	7.25	14.30	28.00
1 3/4 to 2 in. trunk diameter	8.00	15.80	31.00

Hybrid Elm

(Pictured on page 40). These trees have been grafted from a selected, mature parent tree which has shown every ideal characteristic for a Hybrid Elm. The Hybrid Elm, a cross between the American Elm and the Chinese Elm, shows all the stability, ruggedness and long life of the American Elm, yet it grows just as fast and is just as resistant to heat, drought and insects as the Chinese Elm. It will not be as subject to breakage from ice, snow and windstorm. The Hybrid Elm has large leaves like the American Elm and is not twiggy like the Chinese Elm. Our supply is very limited. Not prepaid.

Size	Each	Per 2	Per 4
4 to 5 ft.	\$3.25	\$6.30	\$12.00
5 to 6 ft.	3.50	6.80	13.00

1 3/4 to 2 in. trunk diameter	7.50	14.80	29.00

Goldenraintree

(See color picture on page 40). Also called Varnishtree, China Tree and Pride-of-India. One of the hardiest and best medium-sized ornamental trees in cultivation. Bears panicles, often 15 inches long, of bright yellow flowers, marked with orange at the base. Very attractive foliage and picturesque branching habit. Stands heat and drought and is resistant to diseases and insects. It will grow in any soil.

Sizes	Each	Per 2	Per 4
2 to 3 ft. Postpaid	\$2.50	\$4.50	\$ 8.00
3 to 4 ft. Postpaid	3.50	6.50	12.00

5 to 6 ft. Not prepaid	4.50	8.80	17.00
6 to 7 ft. Not prepaid	5.00	9.80	19.00

Hackberry

A native Kansas tree of proven hardiness. Very similar in shape, stateliness and rapidity of growth to the American Elm. The wood is very hard and strong. It is a long lived tree and is useful as a street, yard, park, farm and wood-lot tree. Extremely hardy. (See page 44 for seedlings). Not prepaid

Sizes	Each	Per 2	Per 4
4 to 5 ft.	\$2.25	\$4.30	\$ 8.00

10 to 12 ft.	7.00	13.80	27.00

Black Locust

This is the FASTEST growing of all shade trees. It grows to be a medium-sized, round headed shade tree that is extremely hardy, heat-resistant. It will grow anywhere, especially in dry, barren soils. In the spring, it bears many large panicles of attractive white, very fragrant flowers. It is not affected by insects or diseases. See page 44 for seedlings. Not prepaid.

ALL 4 TREES FOR \$6.25 POSTPAID

Thornless Honeylocust

See picture on page 40. This is one of the best trees for our great plains region. It is extremely hardy, drought resistant and thrives in poor soil as well as rich soil. It is rapid growing and develops into a large, stately tree with dark green, luxuriant foliage. Its dark colored branches are strong and resistant to storms. It is not affected by insects or diseases or sudden freezes. (See page 44 for seedlings). Not prepaid.

Size	Each	Per 2	Per 4
4 to 5 ft.	\$2.25	\$4.20	\$ 8.00

6 to 8 ft.	3.50	6.70	13.00
8 to 9 ft.	4.50	8.80	17.00

Moraine Locust

Patent No. 836. At last, a really CLEAN tree. In addition to being thornless, it bears only male flowers, thus preventing the formation of the unsightly brown seed pods that fall off in autumn and clutter up the lawn. The fact that it does not produce seed pods contributes to its having better foliage because the strength is not used up in producing fruit, consequently the foliage is more luxuriant and holds on much longer in the fall. Beautiful dark green foliage, clean, strong, dark-colored branches, stately shape, rapid-growing, long-lived, drought and heat resistant, will grow anywhere and no seed to fall or clean up. What else could you ask for? Our supply is limited. Not prepaid.

Size	Each	Per 2	Per 4
6 to 7 ft.	\$ 7.50	\$14.80	\$29.00
7 to 8 ft.	9.00	17.80	35.00
6 to 8 ft. container-grown trees	10.00	19.80	39.00

Sunburst Locust

Patent No. 1313 (Pictured at right). Here is dramatic new coloring in a shade tree. The inner foliage is a deep green while each branch is tipped with bright golden-yellow foliage, giving the appearance of a flowering tree bursting into bloom. Stately and symmetrical form. Very hardy, being resistant to heat, cold, drought, wind and ice storms. It is practically immune from insects and diseases. It is thornless and produces no seed pods. PRICES (not prepaid) 6 to 7 ft. trees—\$7.50 each; 2 for \$14.80. 7 to 8 ft. trees—\$ 9.00 each; 2 for \$17.80

Silver (Soft) Maple

Very popular and one of the fastest growing shade trees. It is hardy every-

where and is not injured by sudden freezes. Its foliage is resistant to diseases and insects. The Silver Maple will grow quickly into a large, beautiful stately shade tree. For quick shade and hardness, it cannot be surpassed. (See page 44 for seedlings).

Bur Oak

Gigantic, long-lived, sturdy trees. Native in Kansas. Prices not prepaid:

3 to 4 ft. Balled & Burlapped	\$6.00 each
4 to 5 ft. Balled & Burlapped	7.00 each
5 to 6 ft. Balled & Burlapped	8.00 each
6 to 8 ft. Balled & Burlapped	9.50 each

for shade, beauty and climate control

Mimosa - Silktree

Pictured on page 40. Grows quite rapidly in an attractive, low spreading shape with dainty, fern-like foliage that closes up at night. Blooms with bright, showy pink flowers from June to August. We do not recommend this tree for the northern states.

Sizes	Each	Per 2	Per 4
2 to 3 ft., postpaid	\$.90	\$1.60	\$2.80
3 to 4 ft., not ppd.	1.15	2.20	4.00

Japanese Pagodatree

An attractive round-headed ornamental and flowering tree of small to medium height. Dark green, lace-like compound leaves. In late summer it bears beautiful creamy white flowers. The dark green branches are arranged in artistic whorls on the trunk. Very hardy and resistant to heat and drought. See picture to the left.

Sizes	Each	Per 2	Per 4
2 to 3 ft., postpaid	\$1.50	\$2.80	\$ 5.00
3 to 4 ft., postpaid	2.25	4.00	7.25
4 to 5 ft., not ppd.	2.50	4.80	9.00
5 to 6 ft., not ppd.	3.00	5.80	11.00
6 to 7 ft., not ppd.	3.50	6.80	13.00
7 to 8 ft., not ppd.	5.00	9.80	19.00

Ornamental Peach Trees

DOUBLE RED FLOWERING PEACH. Very ornamental and very showy with their bright scarlet double flowers early in the spring before the leaves appear. 4 to 5 ft. trees...\$1.95 each; 2 for \$3.75; 4 for \$7.00. Not prepaid.

"ROYAL RED" RED-LEAF PEACH. Leaves are bright red in the spring, dulling to a deep maroon by fall. Pink flowers early in the spring. Produces full crops of small red peaches with white flesh and delicious flavor. A dual purpose tree. 3 to 4 ft. trees...\$1.75 each; 2 for \$3.00; 4 for \$5.00. Postpaid.

Purple-leaf Plum Pictured on page 40. An unusually attractive dwarf tree with reddish-purple foliage all summer. Makes a spectacular contrast with Russian Olive. Unusually hardy and will grow anywhere. Not prepaid.

4 to 5 ft.\$4.50 each; 2 for \$8.50 4 for \$16.00

Bolleana Poplar Grows just like the Lombardy Poplar only it is much longer-lived and resistant to diseases and insects. Leaves are dark green on top and silver beneath just like the Silver Poplar. Not prepaid.

Sizes	Each	Per 2	Per 4
5 to 6 ft.	\$ 1.50	\$ 2.80	\$ 5.00
6 to 8 ft.	2.00	3.80	7.00

Lombardy Poplar See picture on page 40
Everyone knows the striking appearance of this tall slender-growing, picturesque tree. It is the exclamation point in the landscape. At these low prices everyone can afford to plant some of these beautiful trees.

Size	Each	Per 5	Per 10
2 to 3 ft., postpaid	\$.60	\$ 2.50	\$ 4.00
3 to 4 ft., postpaid	.75	3.25	5.00
4 to 5 ft., not ppd.	.80	3.50	6.00
5 to 6 ft., not ppd.	1.00	4.50	8.00

6 to 7 ft., not ppd.	3.00	5.80	11.00

Russian Olive (See Picture on Page 40)

Extremely hardy, drought resistant tree with striking silvery-green foliage. If trimmed up it makes a beautiful medium sized ornamental tree. Allowed to branch out next to the ground it makes excellent tall shrubs suitable for backgrounds, hedges or windbreaks. (See page 45 for seedlings).

Sizes	Each	Per 2	Per 4
3 to 4 ft., postpaid	\$1.00	\$1.80	\$3.20
4 to 5 ft., not ppd.	1.25	2.30	4.00
5 to 6 ft., not ppd.	1.75	3.25	6.00

Redbud . . . THE MOST POPULAR ORNAMENTAL TREE

See picture on page 40 — A dwarf, graceful tree native to the great plains region. The beautiful, bright red blossoms appear in the spring before the leaves. This tree makes ideal shade or partial shade for flower beds. Since it is a legume, it does not "sap" the soil as other trees do.

Sizes	Each	Per 2	Per 4
2 to 3 ft., postpaid	\$1.00	\$1.80	\$ 3.00
3 to 4 ft., postpaid	1.50	2.80	5.00
4 to 5 ft., not ppd.	2.25	4.30	8.00
5 to 6 ft., not ppd.	3.00	5.80	11.00
6 to 8 ft., not ppd.	3.85	7.50	14.40

Sycamore (Plane Tree) The Sycamore grows rapidly into a large, stately, perfectly-shaped tree with very light colored trunk and branches resembling those of a birch. Its perfect shape as well as its dense shade and hardness make it a valuable street, yard and park tree. Not prepaid.

Sizes	Each	Per 2	Per 4
4 to 5 ft.	\$2.35	\$ 4.50	\$ 8.40
5 to 6 ft.	3.10	6.00	11.40
6 to 8 ft.	4.25	8.30	16.00
8 to 10 ft.	5.50	10.80	21.00
10 to 12 ft.	6.75	13.00	25.00
12 to 14 ft.	10.00	19.50	37.50

Tulip Tree A most extraordinary shade tree. Besides growing rapidly into a large, well-shaped, beautiful shade tree with large, maple-like leaves, it bears beautiful Tulip-like flowers.

Size, not prepaid	Each	Per 2	Per 4
2 to 3 ft., container-grown specimens	\$3.25	\$6.30	\$12.00

Niobe Weeping Willow Green foliage with graceful and showy golden colored branches. This variety is especially showy during the winter. Very hardy. Not prepaid.

Sizes	Each	Per 2	Per 4
4 to 5 ft.	\$1.40	\$2.60	\$ 4.45
5 to 6 ft.	2.40	4.60	8.45
6 to 7 ft.	3.00	5.80	11.00

Wisconsin Weeping Willow

Popular and picturesque tree, valuable in landscaping for its weeping habit of growth. Deep green foliage with graceful light green branches. Not prepaid.

Sizes	Each	Per 2	Per 4
4 to 5 ft.	\$1.00	\$1.80	\$3.20
5 to 6 ft.	1.50	2.80	5.00
6 to 8 ft.	2.00	3.80	7.00
8 to 10 ft.	3.00	5.50	10.00

SHADE TREE AND SHRUB SEEDLINGS

Protect your live stock, poultry, feed lots and your home, vegetable garden and orchard with properly placed windbreaks. The protection from the hot winds in summer and cold winds in winter will make your cows give more milk, your hens lay more eggs, your steers make better gains, your gardens and orchard produce better, your home easier to heat and the farm more pleasant and beautiful. They also protect your soil from wind and water erosion. Woodlots turn waste land into profitable land. Let us help you plan your windbreaks. We will be glad to assist in the arrangement and advise varieties. Also remember our seedlings are Salina-grown and therefore adapted to this region.

Prices listed below are postpaid except those printed in shaded area. Those printed in shaded area will be sent express or truck freight collect.

LILAC FOR HEDGES:
See Hardy Hedges, pages 6 & 7.

MULTIFLORA ROSE

Our state and federal conservation agencies are recommending this for a living fence or hedges and we recommend it very highly for the great plains region. It is also recommended for erosion control and wild life refuge. Multiflora rose has small thorns and makes a bushy hedge about 6 to 8 feet tall and almost as wide if not trimmed. White flowers in June followed by red fruits which birds like. Plant 12 to 18 inches apart. Very hardy.

LAWN SEEDS AND GRASSES

the new U-3 GRASS

U-3 GRASS, developed by the United States Department of Agriculture, is something new and different in creeping grasses. In fact, it still bears its experimental number, U-3, instead of a name. U-3 is a Bermuda grass similar to Velvet grass in texture but far superior in color and every other respect.

The color of U-3 GRASS is a dark, rich, satisfying green lasting longer into the cold winter weather and appearing earlier in the spring than Velvet grass and common Bermuda. Mowing is not a problem with the low-creeping growth habit and fine texture of U-3 GRASS. Its thick, carpet-like turf eases the crabgrass and weed control problem so common to lawns in this area.

U-3 GRASS is sold by the square foot of sod. When planted according to instructions (furnished with each order), each square foot of sod will plant from 20 to 50 square feet of lawn area. Between June 1st and August 1st is the best time to plant. It should not be planted in the fall or before May 15th in the spring. Our supply is very limited. Order yours early to be sure it will be shipped at the proper time. CAUTION: U-3 GRASS does not produce seed. It can be started only from the sod or roots. We recommend U-3 GRASS for the sunny lawn area only.

PRICES:

5 square feet of U-3 sod	\$ 3.00	Not prepaid
10 square feet of U-3 sod	4.50	Not prepaid
50 square feet of U-3 sod	20.00	Not prepaid
100 square feet of U-3 sod	35.00	Not prepaid

Grass Barrier

Keeps grass from flower beds, trees, shrubs. Stops both roots and surface runners. Continuous 40 ft. corrugated roll, 8 in. deep. No clips, no joints, won't interfere with mowing. Never rusts.

Per 40 ft. Roll	(at the nursery)	\$8.00
Per 40 ft. Roll	(postpaid)	\$9.00

Meyer Z-52 Zoysia

BUILD A PERMANENT LAWN THAT CRABGRASS AND WEEDS CAN'T RUIN . . . THAT KEEPS ITS RICH GREEN COLOR THROUGH HOT, DRY WEATHER.

The new, superior lawn grass, Meyer Z-52 Zoysia, makes a permanent lawn with a dense turf that chokes out crabgrass and weeds. It grows best in hottest weather, gives you a beautiful, deep green lawn when you want it most, during the hot summer months when usual grasses wilt and burn out. Meyer Z-52 Zoysia will not grow in dense shade; and it loses its color after heavy frost, regaining it again in the spring. It is easily overseeded with Merion Bluegrass for winter color.

Meyer Z-52 Zoysia is furnished as 1 3/4 inch plugs of sod. These plugs should be set out on 12 to 18 inch centers. Between June 1st and August 1st is the best time to plant. It should not be planted in the fall or before May 15th. If planted at the proper time, it will become established and start to spread this year and will cover completely next spring and summer.

Meyer Z-52 Zoysia cannot be grown from seed. It must be set out as actual plugs of sod. Simple planting instructions accompany each shipment.

PRICES:

Package of 10 plugs, Postpaid	\$2.40
Package of 15 plugs, Postpaid	2.85
Package of 30 plugs, Postpaid	3.90
50 to 99 plugs, not prepaid	.8c per plug.
100 to 499 plugs, not prepaid	.7c per plug.
500 to 999 plugs, not prepaid	.6c per plug.
1000 plugs or more, not prepaid	.5c per plug.
Plugging-Transplanter tool, at the nursery	\$3.50;

Postpaid, \$3.85.

Merion Bluegrass

The new super Bluegrass that spreads rapidly into a handsome, wear-resistant sod. Its color is a deeper green than regular Bluegrass. New Merion Bluegrass forms a dense, compact turf that is resistant to heat, drought and most common lawn diseases. Since this turf is dense and compact, it requires less mowing than ordinary Bluegrass. It is more resistant to weed infestations, particularly crabgrass. It is adapted to full sun or partial shade. Merion Bluegrass goes about three times as far as Kentucky Bluegrass . . . one pound plants 500 to 700 square feet.

	At the Nursery	Postpaid
1 pound	\$ 3.00	\$ 3.30
5 pounds	13.25	13.75
10 pounds	26.00	26.80

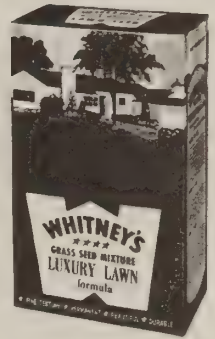

Miracle Green

WHITNEY'S Luxury Lawn Formula

*For Turf Luxury in Sun or
Partial Shade*

Formulated from Kentucky Bluegrass, Creeping Red Fescue, Poa Trivialis and Bentgrass. Makes a permanent lawn of finest texture. This mixture, because of its superior quality, assures better performance and long lasting results. Use at the rate of 3 lbs. per 1000 square feet.

In addition, this mixture is treated with MIRACLE GREEN, an organic compound which prevents decay, damping-off, seedling blight and root rots. These are the diseases which usually cause poor stands of grass.

Prices:	At the Nursery	Postpaid
1 Pound Box	\$1.45	\$1.85
5 Pound Box	6.69	7.40

Kentucky Bluegrass

High quality, weed-free, chaff-free, heavy seed with a high germination and purity test. Sow at the rate of 1 pound to 200 square feet. For spring planting, plant Bluegrass as early as the ground can be worked.

Prices:	At the Nursery	Postpaid
1 pound	\$ 1.25	\$ 1.55
5 pounds	6.00	6.50
10 pounds	11.00	11.80

White Lawn Clover

For best results in this region, mix clover with bluegrass at the rate of one pound to five pounds of bluegrass. Such lawns are much easier to maintain, more resistant to the heat and white grubs.

APPLES

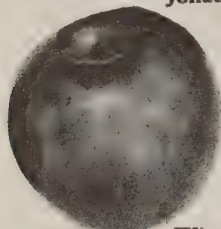

Anoka

Red
Delicious

Jonathan

Winesap

PRICES: For Sturdy, Healthy, Vigorous Apple Trees, 4 to 6 ft. high, in the FOL-LOWING VARIETIES, especially adapted to our Great Plains Region. Not Prepaid. \$2.00 each; 5 for \$9.50; 10 for \$18.50.

ANOKA—(See picture to the left.) A wonderful new Summer Apple which often starts to bear the next year after planting. The fruit is red with yellow streaks, large and good flavor. Ripens in August. Very hardy.

RED DELICIOUS—(See picture to the left.) We consider this to be the finest of all red apples. The fruit is large, solid red and has a delicious flavor, unequaled by any other apple. It bears younger, keeps longer and the fruit colors up several weeks earlier than the common Delicious.

EARLY HARVEST—Well known yellow Summer apple. Ripens in July.

RED JONATHAN—(See picture to the left.) Same as the regular Jonathan except it colors earlier and has a richer color. Bright red, highest quality, crisp, tender, juicy and full of snap. You cannot beat it.

WINESAP—(See picture to the left.) Bears heavily, medium size, dark red, fine flavor. Fruit keeps until spring.

YELLOW DELICIOUS—Some consider this the best yellow apple. Fruit is large, juicy and high quality. Bears young and heavily.

YELLOW TRANSPARENT—Old favorite early Summer apple. Bears young and heavily. Ripens in July.

DWARF APPLE

DELCON APPLE—Produces full size dark red fruit much like the delicious apple, but without the knobs. A naturally dwarf variety. Flavor is a combination of its parents, Jonathan and Delicious. Developed, tested and approved in this area. Vigorous 3 to 5 ft. trees, not prepaid. \$2.50 each; 5 for \$12.25; 10 for \$23.50.

DWARF CHERRY

NORTH STAR CHERRY—Recommended by Kansas State College. The tree grows to be little more than 6 feet tall. Fruit is large, dark red and with a slightly flavor. Bears young and heavily. Self-pollenizing and very hardy—can be grown farther north than other varieties. Heavy 2 to 4 ft. trees, not prepaid, \$3.00 each; 5 for \$14.50; 10 for \$27.50.

DWARF FRUIT TREE SPECIAL

- 1 DELCON DWARF APPLE
- 1 NORTH STAR DWARF CHERRY
- 1 DWARF BARTLETT PEAR
- 1 RED HAVEN DWARF PEACH
- 1 DWARF ELBERTA PEACH

FRUIT TREES

ALL-PURPOSE FRUIT TREE SPRAY

Control all insects and diseases on All Fruits

1 POUND CAN.....\$1.55. POSTPAID.
3 POUND BAG.....3.35. POSTPAID.

APRICOTS

Apricots are worthy of a place in your yard, as an Ornamental Tree as well as a Fruit Tree.

CHINESE—Very large fruit, often 2 inches in diameter, and of excellent flavor. Very Hardy and bears heavily. A wonderfully fine Apricot for the great plains region. Not prepaid. \$2.50 each; 5 for \$12.25; 10 for \$23.50.

MOORPARK—An excellent producer in our area. Freestone, large yellowish-green fruits with red blush on the sunny side. An excellent variety for drying. Not prepaid. \$2.50 each; 5 for \$12.25; 10 for \$23.50.

CHERRIES

Without a doubt, Cherries are the most satisfactory fruit for the Great Plains Region. No farm should be without several cherry trees, and there is room for a few in nearly every city back yard. The best varieties for this region are:

Early Richmond

EARLY RICHMOND—(See picture to the right.) Favorite early Cherry. First to get ripe (in May). Large, bright red, juicy and delicious. Can't be beat for fresh cherry pies. 4 to 6 ft., \$2.50 each; 5 for \$12.25; 10 for \$23.50. Not prepaid.

Montmorency

MONTMORENCY—(See picture to the right.) A sure bearer of large crops, ripening about ten days after Early Richmond. The fruit is large, flesh firm and fine flavor. Best of all for canning. Widely planted. 4 to 6 ft. \$2.50 each; 5 for \$12.25; 10 for \$23.50. Not prepaid.

English Morello

ENGLISH MORELLO—(See picture to the right) Bears younger and heavier than any other cherry. The fruit is good size, almost black and sprightly acid. Ripens in July after the others have gone. 4 to 6 ft., \$2.50 each; 5 for \$12.25; 10 for \$23.50. Not prepaid.

CHERRY ORCHARD SPECIAL

- 1 EARLY RICHMOND CHERRY, 4 to 6 ft.
- 1 MONTMORENCY CHERRY, 4 to 6 ft.
- 1 ENGLISH MORELLO CHERRY, 4 to 6 ft.
- 2 HANSEN BUSH CHERRY, 18-24 inch (FREE)

All 5 Cherries for \$7.25. Not Prepaid

adapted to the great plains region

PEARS

In addition to being one of our most valuable fruit trees, their beautiful snowy white blossoms in combination with Red Bud trees (which bloom at the same time) make a color combination and landscape effect unexcelled. Most varieties, especially Kieffer, grow rather narrow and upright, giving a "Poplar" effect. Not prepaid.

Heavy. Sturdy, 4 to 6 ft. trees: \$2.40 each; 5 for \$11.25; 10 for \$20.00.

BARTLETT—(Pictured to the left.) Large, yellow with blush. Juicy, sweet and high quality. Leading summer pear. (See Dwarf Bartlett Pear below.)

DOUGLAS—(Pictured to the left.) We consider this the best Pear for this region. The tree is vigorous, hardy and especially adapted here. It is a fall Pear

that bears heavily and often starts bearing the next year after planting. Fruit is large, yellow with blush.

KIEFFER—Widely planted winter Pear. The tree bears heavily, is very hardy, vigorous and grows upright. Sometimes is used in the landscape in place of slender Poplars.

DWARF BARTLETT PEAR

Dwarf form of the hardy and very popular Bartlett pear. Healthy, strong 3 to 5 ft. trees, not prepaid. \$3.00 each; 5 for \$14.50; 10 for \$27.50.

PLUMS

VIGOROUS . . . KANSAS GROWN.
Big 4 to 6 ft. trees, \$2.25 each; 5 for \$10.00; 10 for \$18.50. Not prepaid.

SAPA—(Pictured to the left.) A rich, glossy, dark purple plum, of fine flavor and extreme hardness. Bears young and heavily.

WANETA—Considered most famous of Hansen's hybrid plums. Fruit is large and bright red. Flesh is yellow, sweet and juicy. Bears young and regularly.

STANLEY—(Pictured to the right.) A new prune-type plum that is rapidly becoming the most popular of all plums. Large dark blue prune-shaped fruits. The rich yellow flesh is firm, sweet and delicious. Ripens in September. Freestone.

Stanley

PEACHES

Sturdy, Vigorous, Kansas-Grown.
Big 4 to 6 ft. trees, \$1.80 each; 5 for \$8.50; 10 for \$16.00. Not prepaid.

POLLY—(Pictured to the right.) Hardy, Delicious, Freestone, Heavy bearer. Originated at the Iowa Experiment Station and has been thoroughly tested for many years, standing as cold as 20 below zero. Flesh is white, juicy but firm with rich flavor. Ripens a few days before Elberta.

HALE HAVEN—Free-stone. This is a fine new variety of Peach that is rapidly overtaking Elberta in popularity. A heavy producer of large, yellow peaches of high quality. Very hardy.

EARLY ELBERTA—Old standby, large, yellow, freestone, firm, juicy. High quality. Hardy tree.

RED HAVEN—This new variety is rapidly becoming the leading real early yellow peach. The fruit is large and almost a solid red. The yellow flesh is firm, sweetly delicious, high quality. Freestone.

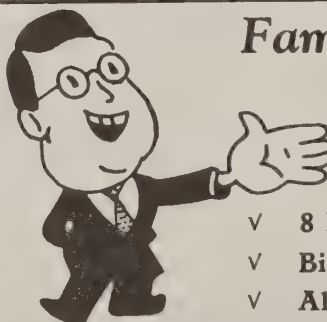

BELLE OF GEORGIA—(Pictured to the right.) Freestone. Very large, white with red cheek, flesh white and firm with excellent flavor. Excellent variety for Kansas.

DWARF ELBERTA PEACH—Dwarf selection of the popular Elberta Peach described above. Self-pollinating and hardy, often bears the next year after planting. \$3.00 each; 5 for \$14.50; 10 for \$27.50. Not prepaid.

DWARF RED HAVEN PEACH—Dwarf variety of the hardy Red Haven listed above. Self pollinating and hardy, not prepaid. \$3.00 each; 5 for \$14.50; 10 for \$27.50.

GRAPES

THE BEST ALL-PURPOSE FRUIT

A small amount spent for our big, strong, 2-year Grape Vines will return your investment many times in the years to come. We have found the three varieties listed below to be the best for the Great Plains Region.

CONCORD—(Pictured above). STILL AMERICA'S FAVORITE GRAPE. Greatest of all grapes because every year it bears bumper crops of large, blue-black, juicy, deliciously flavored fruit. Postpaid: 40c each; 5 for \$1.50; 10 for \$2.50.

FREDONIA—(Pictured to the right). This new variety ripens **THREE WEEKS BEFORE CONCORD**. Very hardy, vigorous and productive. Produces large bunches of big blue-black grapes of high quality and flavor. Postpaid: 40c each; 5 for \$1.50; 10 for \$2.50.

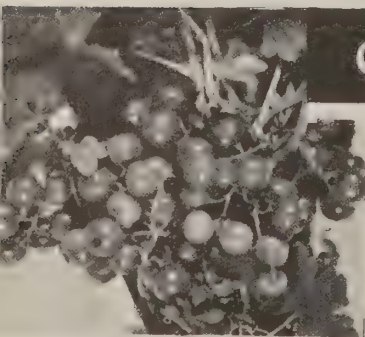

NIAGARA—(Pictured to the left). Most popular white grape because it succeeds anywhere. Large compact bunches of delicious grapes. Postpaid: 40c each; 5 for \$1.50; 10 for \$2.50.

CURRENTS

RED LAKE—(Pictured to the left). Long clusters, filled out to the tip with unusually large berries of superior quality. Clear light red in color. Postpaid: 50c each; 5 for \$2.00; 10 for \$3.00.

BLACKBERRIES

ELDORADO—(Pictured to the right). Medium size, conical glossy black, tender and sweet. Hardy, vigorous plants. Matures crop before summer heat. **POSTPAID. STRONG TRANSPLANTED PLANTS:** 5 for \$2.50; 10 for \$4.50; 25 for \$10.00.

RASPBERRIES

INDIAN SUMMER — (Pictured above). **THE NEW DOUBLE CROP RASPBERRY.** The wonderful new everbearing Red Raspberry that bears both spring and fall. High quality and very productive. Large round conic berries. Postpaid: 5 for \$2.50; 10 for \$4.50; 25 for \$10.00.

CUMBERLAND—(Pictured to the right). Most popular black Raspberry. Strong 2-yr. transplanted plants. Not to be compared with light tip-plants usually sold. Postpaid: 5 for \$2.50; 10 for \$4.50; 25 for \$10.00.

GOOSEBERRIES

PIXWELL — (Pictured to the right.) A tremendous bearer of large, fine quality berries. Berries hang down making them easier to pick than other varieties. Bears the next year after planting. Very hardy. Postpaid: \$1.05 each; 5 for \$4.95; 10 for \$8.50.

large, juicy STRAWBERRIES

Tested and proven varieties for our area . . .

GIANT GEM EVERBEARING—This variety has proved itself to be one of the best EVERBEARING varieties for this section. We have tried many new everbearing introductions, but none were as good. Large, high quality, bright red berries, often starts bearing 90 days after planting. Postpaid Prices: 25 for \$1.50; 50 for \$2.50; 100 for \$4.00.

SENATOR DUNLAP—(Annual or June-bearing). In spite of new introductions, this grand old variety still remains hard to beat. Always bears bright red berries of a most delicious flavor. Postpaid Prices: 25 for \$1.00; 50 for \$1.50; 100 for \$2.50.

plant ASPARAGUS and RHUBARB

ASPARAGUS

Healthful, rich in minerals and vitamins, non-starchy, alkaline and a wonderful tonic. Grows anywhere—plant it along the fence or behind the garage. You'll never regret it.

GENUINE GIANT MARY WASHINGTON—

Over the years this variety has proved itself to be the best in every way. It is a rust-resisting variety, extremely tender and remains tender during the season. Large stalks can be cut for almost two months. Wonderful, delicious flavor. Heavy, 2-year plants, Postpaid: 10 for \$1.50; 25 for \$2.25; 50 for \$4.00; 100 for \$7.50.

Bermuda Onion Plants

CRYSTAL WAX WHITE—This is a large, pure white onion which is used almost entirely by commercial growers. It matures early, is very productive and is mild and sweet. Large Bunch, 35c. Postpaid.

RHUBARB (pie-plant)

Rhubarb is wholesome and healthful. Just the thing for those spring appetites. Imagine going to your own garden and cutting rhubarb for your pies and sauce. It is also very easy to can. Plant rhubarb this spring and enjoy this healthful vegetable.

GIANT VICTORIA—A standard variety that you can always depend upon to provide you with delicious sauce and pies early in the spring. Large red stalks, tender and crisp.

Postpaid Prices: Per 3 Per 5 Per 10
Large Roots \$.90 \$1.25 \$2.00

CHIPMAN'S CANADA RED—A new variety with large stalks which are red throughout. Does not lose its color in cooking. Juicy, sweet and tender—needs no peeling. Very productive.

Each Per 5 Per 10
Postpaid. \$1.05 \$5.00 \$9.00

ORNAMENTAL GRASSES

PAMPAS GRASS—(Pictured at the left) Popular and attractive ornamental grass. Grows 8 to 10 feet high. Very hardy. Will grow in very hot, dry locations. While it is attractive near pools or in rock gardens, it requires little or no watering after once established. Postpaid, 65c each; 3 for \$1.50; 10 for \$4.50.

RIBBON GRASS—A favorite of old gardens. The leaves are attractively striped with pure white. Grows about 18 inches. Very hardy and will grow anywhere. Postpaid, 65c each; 3 for \$1.50; 10 for \$4.50.

PLUME GRASS—(Pictured at the right.) Another ornamental grass that is extremely valuable where a lower growing variety is desired. It grows only about 3 to 4 feet high and its plumes make attractive winter bouquets. Extremely hardy and easy to grow. Postpaid, 65c each; 3 for \$1.50; 10 for \$4.50.

TUBEROUS BEGONIAS

Very few flowers can equal the magnificent beauty of these big, double, Camellia-flowered Begonias. They make exquisite indoor plants that bloom over a long period of time. After they have been started indoors, Begonias may be set outside, after danger of frost.

There are few plants that will give you more color for that cool, shaded spot in your yard than Tuberous Begonias. A bed of them, with their broad attractive foliage and beautiful flowers, will be a beauty spot in your garden from spring until frost. Complete instructions for care and planting accompany each order. Postpaid.

Choose from 6 lovely colors:
